

Winterhalter Has Successful Year at Academic Games State Tournament

Winterhalter School entered nine events at this year's *Michigan League of Academic Games* tournament held in Grand Rapids and took six first place trophies and one third. Among the games played are: **Equations, On-Sets, and Linguishtik**. For a description of these categories, visit the Web site for the Michigan League of Academic Games at <http://mlagonline.com>.

Winterhalter also took first place for team average for the Saturday tournaments and second in top five. A fifth grade team and a sixth grade team are also this year's co-state champions in Elementary Basic On-Sets. **Every student came home with at least one medal.**
