Detroit Public Schools Community District is committed to ensuring that all children, especially those in highest need, have access to high-quality early learning and development programs and enter kindergarten prepared for success. Through the Great Start Readiness Program (GSRP) the District offers Pre-K at multiple sites throughout the city. Class sizes range from 16 - 18 students and meet four days per week. The program provides educational, health, mental health, and parental involvement services. Students selected for the Great Start Readiness Program (GSRP) must meet income guidelines. To enroll in DPSCD Pre-K follow these 5 steps.

Visit the Early Childhood webpage to download, complete and print the GSRP 2019 Pre-Screening Form: https://www.detroitk12.org/Page/7369

Gather the following required enrollment documents: Original birth certificate, Current immunization record, Child’s Insurance card, Proof of income (GSRP), Parent ID.

Take the Pre-Screening Form and required documents to any DPSCD pre-school site, or to Fleming Administrative Building, 18501 Waltham Detroit, MI 48205.

An administrator will take your forms, return the bottom portion of the Pre-Screening Form, provide you with a folder that contains a health appraisal, and request that the Office of Early Childhood schedule an interview.

A DPSCD early childhood staff member will contact you to schedule an interview and complete the application process by conducting a family interview.

The Pre-K enrollment process does require two in-person visits. The first to submit your required documents and the second to participate in the family interview. Please note, full enrollment cannot occur until the governor signs the state aid bill authorizing the grant (GSRP).
