## Halloween Ball

By Amilyah Watson

Once upon a time on Halloween night, I was in my room putting on my costume for the Halloween ball. When I got to the ball there were ghosts and witches there.

The witches told me and my friends that we had to give them three toenails before nightfall, or we would turn into frogs forever. The witch turned my friends into frogs!

I met a nice witch. She used to be evil like them, until she was kicked out. She told me that in order to turn my friends back I had to get three frog feet and some swamp water. I searched high and low, and I finally found them.

The good witch cast a spell with glitter, and all my friends were normal again. -The END-

Everyday Lily danced her heart out so much that suddenly, her ears got so BIG! Her ears became bigger than her face. That night Lily told Ava, "I want to be a ballerina for Halloween."

Halloween night everyone made fun of her because of her big ears. But that didn't worry Lily.

Finally, she stuck up for herself. She did not care what anyone thought. So she said, "Don't judge a book by its cover." -THE END-

On one Halloween night, a little girl went to the playground. Uh oh! She saw some spooky ghost kids on the swings.

She tried to go home. But suddenly, one of the kids from the swings disappeared. When she turned around, the kid that was on the swing was behind her. When the girl turned around again, the ghost kid was back on the swing.

The little girl started to scream, and then her parents came outside. They said, "Stop!"

The girl looked at her parents. She pointed and said, "Look!"

Her parents said, "What?"

She turned around and saw the kids were gone. So they all went home.

Behind them, a lonely wind seemed to push the swings... -THE END-

## Amy Hates Halloween

By Zoey Stewart

Amy used to hate Halloween because she used to hate scary stuff. For example, one time while she was watching a scary movie, she got so scared that she peed her pants!

In October, Amy's best friend Sky asked if she could go trick-or-treating with her. At first, Amy said "No!" But Sky said, "It will be fun!" Amy DID like to have fun, although not scary fun.

On Halloween, Amy and Sky both went trick-or-treating together. Amy was scared when she saw the costumes. However, she loved trick-or-treating because of the candy. Now, Amy loves Halloween.

## The Portal

By Brianna McCall

A family with two kids named Kacy and Max went to a really old house in Pittsburg. They opened the creaky door...

"Well, we will just have to get used to it," their mom said.

"The house is very dusty," said Max, dusting a book off.

"Go pick out your rooms," mom suggested.

"I want this one!"

"I want this one."

They walked into their rooms. "Creak, creak!"

"Wow!" Max saw a portal.

Curious, they walked into the portal, and ended up outside on Halloween night. They went down to the corner and saw kids trick-or-treating.

Suddenly, they heard a lady scream! Kacy pointed at a man, who stood over her. All the kids in costumes ran for their lives! Max and Kacy also ran. They were getting tired. They stopped to take a break. They saw a portal ahead. The portal showed a countdown: 20, 19, 18, 17, 16, 15... They started to run. 10, 9, 8, 7, 6, 5, 4... Right at the three second mark, they went into the portal. "Zoop!"

Back at home, they searched online about what happened, and saw that it was all just fake!

In the morning, mom was making pancakes. She asked, "Do you guys like the house?"

"Yeah, we do!" Kacy called out. She looked at Max and winked. Max looked at Kacy and winked back.

"It's our little secret," Kacy said. -THE END-

There was a girl, Myra, and a boy, Christian. Myra and Christian were sister and brother. They were going trick-or-treating one night. Suddenly, Jay, a witch, came out. He took Myra.

Then, Christian was mad! He shouted and shouted for her to come back. Their parents were on vacation. So, he had to come up with a plan by himself to save his sister.

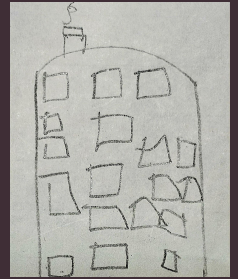

He took water, salt water. He found the witch's house. He splashed the house. "Ahh!" yelled Jay. The house melted where the salt water splashed it.

## Someone's in the Mansion

By Kiren Davis

I was watching a movie at home, when I heard a bang in the kitchen. I went to check it out, but nobody was there.

Suddenly, a glass fell and shattered. I quickly turned around. There was no one behind me. The broken glass was everywhere.

Next, I ran into my room, while I was calling the cops. My phone flew out of my hand! I was thinking about going outside, but my room door burst open. I was so frightened I ran out the room! All the lights shut off.

I ran into the kitchen to turn on my lights... When I turned around, I saw 'It's not over,' written in blood. I ran out.

I got into the car. I drove for hours. But then, my car stopped. I pushed on the pedal... nothing! I sat there until my window just broke! I got out of the car and ran fast. A rock flew, and I passed out when it hit me.

When I woke up, I was back in my room. It was pitch black. I got up, and ran into the wall trying to find the kitchen. I slowly made my way into the kitchen. I took a deep breath. I shouted "GET OUT!" I turned on the light and saw it was running...

-THE END-

Who do you think was in the mansion?
