

DPSCD Student and Family Schedule Preferences Second Quarter (Nov 13-Feb 2)

The following schedule options are being presented to students and families who choose the Online Only Learning Model via the second quarter preference survey. Students and families can access the survey through students' email accounts or by clicking [here](#). The survey will prompt the participant to enter the student's ID number and password, the same one student use to log into Clever and their DPSCD email accounts.

Principals will take into account student and family preferences, as well as teacher preferences, in deciding upon a final schedule for the second quarter.

Here are potential schedule options.
