# THANK YOU

Your service to Detroit Public Schools Community District has helped to create a foundation for Detroit's children, and for your commitment to children and our community, we want to say "thank you." Any success we enjoy is directly attributable to our employees and students – it is you who made our district great. Whether you have been part of the DPSCD community for five years or forty years, your contributions have helped transform the lives of children and our community.

# PROGRAM
