## SCHOLARSHIP INFORMATION WEBSITES

As with any college choice, you may also be wondering how to pay for tuition and other school expenses. Thankfully, HBCUs are known for making college financially accessible. Here, we've compiled a long list of scholarships available to students attending HBCUs.

In this article, we'll talk about:

- Grants and scholarships offered directly from HBCUs
- Grants and scholarships for students in specific majors attending HBCUs
- Non-major-specific grants and scholarships for student attending HBCUs

"A mind is a terrible thing to waste."<sup>®</sup>

For more than seven decades, this principle has remained at the heart of UNCF, enabling us to raise more than \$4.8 billion and help more than 450,000 students and counting not just attend college, but thrive, graduate and become leaders.

We do this in three ways: By awarding more than 10,000 students scholarships, worth more than \$100 million, each year. By providing financial support to 37 historically black colleges and universities (HBCUs). And by serving as the nation's leading advocate for the importance of minority education and community engagement.

Thurgood Marshall College Fund is the nation's largest organization exclusively representing the Black College Community. Through scholarships, capacity building and research initiatives, innovative programs and strategic partnerships, TMCF is a vital resource in the PK-12 and higher education space. The organization is also the source of top employers seeking top talent for competitive internships and good jobs. TMCF is a 501(c)(3) tax-exempt, charitable organization.

Want to volunteer for a formal event or a noontime luncheon with

community leaders? If you've got the time and are interested in getting behind UNCF, **we'd be very happy to hear from you.** Is a child you know looking for the right college? Can you contribute to keeping student aid available and academic programs strong at UNCF-member colleges or universities? UNCF Detroit will make the connection. USE THE HUNDRED-SEVEN TO FIND YOUR HBCU MATCH!!!

The screenshot shows the homepage of the HBCU Academic Program Search website. At the top, there is a navigation bar with a back arrow, the title 'HBCU Academic Program Search', and the URL 'www.thehundred-seven.org'. Below this is a menu with links: 'Home', 'HBCU Match', 'HBCU List', 'HBCU News', 'Special Features', 'HBCU legends', and 'Work with the 107'. The main heading is 'Find your HBCU match', followed by the text 'Locate the colleges that offer the academic programs you want to study'. A teal-colored box contains a paragraph of advice: 'Colleges sometimes use different names for a similar major. In order for your search to be as successful as possible, you should search for similar fields. When searching for undergraduate programs, search for bachelor's degrees and minors/concentrations. The same applies for associate degree programs. Scroll through all the results as some may not appear in alphabetical order. Additionally, be certain to visit the college's website to verify that the program in which you are interested is still being offered prior to applying.' Below this text are three dropdown menus: '-Select A Major-', '-Select A Degree-', and '-Select A State-'. Each dropdown menu has a small downward arrow on its right side.
