Content During Distant Learning

General Structure Overview
Each week students will read and complete assignments using Studies Weekly printed newspapers. A student schedule has been created which details lesson specifics for the duration of the distance learning experience. Each week, students will read a new issue of Studies Weekly. The expected outcomes are listed on the Weekly Distance Learning Student Schedule. In addition to the printed materials, there is an online platform with multi-media resources to enrich learning.

Pace of Learning

Weekly
Each week students are expected to complete all tasks listed on the Weekly Distance Learning Student Schedule, using the Studies Weekly printed newspapers. Two hours per week should be dedicated to completing Social Studies.

Daily
Students are expected to read and review the specific Studies Weekly newspaper issued for the week and complete a selected task.

Online Access to Materials
https://www.studiesweekly.com/ This website gives students access to the weekly newspapers and primary source images and videos to support learning. Students should access these materials through the Clever portal.
