AGREEMENT

This Agreement shall be effective, except where expressly stated to the contrary, as of July 1, 2021 and shall continue in effect through June 30, 2023.

ARTICLE 1 - PURPOSE AND INTENT

The general purpose of this Agreement is to set forth wages, hours, terms, and conditions of employment to promote orderly and peaceful labor relations for the mutual interest of the school children of the City of Detroit, the District, the employees, and the Union.

The Parties recognize that the interest of the community and the job security of the employees depend upon the District's success in establishing and maintaining proper service to the community.

To these ends, the District and the Union encourage, to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE 2 - RECOGNITION

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the District does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of work, and other conditions of employment for the term of this Agreement of all employees of the District included in the bargaining unit described in Certification of Representative issued by the Employment Relations Commission, Case No. R71 E-208, as follows: All School Service Assistants employed by the School District of the City of Detroit, excluding supervisors, all employees currently represented by other labor organizations and all other employees.

ARTICLE 3 - EQUAL EMPLOYMENT OPPORTUNITY

The parties recognize and agree that neither shall discriminate against any employee because of race, religion, color, creed, sex, age, national origin, political belief, marital status, height and weight, or membership in or association with the activities of any Union. The parties will work together to assure equal employment opportunities for all.

ARTICLE 4 - PROHIBITION AGAINST STRIKES

There shall not be any strike action of any type engaged in, or encouraged, by the Union against the District. The Union will take affirmative steps to discourage and prevent strike action against the District by its members.

ARTICLE 5 - GENERAL DESCRIPTION OF WORK

The parties agree that in the new contract and in materials developed after ratification and approval of the contract, the term “School Service Assistant” shall be changed to “Para Educator” to reinforce the fact that the fact that the primary responsibility of this position is to assist in the instruction of students under the supervision of a teacher; however, it is understood and agreed that current job duties and the job description will not change as a result of such title change.

The service of the Para Educator shall be to provide instructional support services under the direct
supervision of the teacher.

A. **Para Educators as Substitutes**

The Chief Executive Officer or his/her designee shall issue a written directive to school administrators indicating that Para Educators are not to be used as substitute teachers, but are to be used to assist members of the instructional staff in carrying out their duties and responsibilities. Administrators who use Para Educators as substitute teachers will be held accountable.

Members of this bargaining unit shall not be used as substitutes, per the laws of the State of Michigan governing teaching certificates, and of the United States in regards to the Title I law, except for temporary emergency supervisory duty where the welfare of pupils are involved.

B. Para Educators, working under teacher guidance, may be assigned to a maximum of two (2) different teachers in any given day, and to a maximum of ten (10) different teachers in any given week. Where Para Educators also work under the guidance of office staff, counselor, department heads, or other personnel, the number of teachers to whom the Para Educator may be assigned must be adjusted accordingly.

C. If, in the opinion of the Para Educator, a student is disrupting regular activities, he/she may report the action to the teacher responsible for the student (in writing). In the event there is not a teacher responsible for the student at the time the incident occurs or the employee is unable to identify the teacher responsible, the employee may submit a written report of the incident to the worksite supervisor. The supervisor will take appropriate action and discuss with the employee.

D. Para Educators, functioning as Transportation Aides, are to perform those duties necessary in assisting the bus driver to maintain maximum safety on school buses and to contribute to the efficient management of student transportation services.

E. All Para Educators are required at the request of the District to attend all staff meetings in order to keep abreast and to be aware of the instructional plan for the students and will be paid at their current hourly rate.

**ARTICLE 6 REPRESENTATION**

A. It is mutually agreed that for the purpose of operating under this Agreement, employees in this bargaining unit shall be entitled to representation by the designation of one (1) building representative per school building or work location where School Service Assistants are employed.

B. All building representatives shall be full-time employees of the District, except in Buildings where only part-time School Service Assistants who are members of this bargaining unit are employed. The Union shall supply the District with names and addresses of all of its building representatives as well as each of its officers, and directors and shall promptly notify the District of any changes which might occur.

C. The building representatives, where necessary, in the interest of maintaining a continuously cooperative relationship between the Union and the District, shall be permitted reasonable time to investigate the present grievances but shall not receive any extra pay from the District
because of the performance of such duties.

D. The representative shall perform his/her duties as representative without interference with his/her own job functions or the job functions of other employees. Such representative shall not leave his/her job to conduct his/her duties as representative without first securing the approval of the principal or administrator. All Union businesses conducted by the building representative shall be outside the scheduled working day except as otherwise authorized by the principal or administrator.

E. The Union through its building representative shall assume the responsibility of familiarizing School Service Assistants in the schools with the content of this Agreement.

ARTICLE 7 - SPECIAL CONFERENCES

Special conferences for important matters will be arranged between the Union President and the District, or its designated representatives, upon the written request of either party. Such meeting shall be between no more than four (4) and at least two (2) representatives of each party.

Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up at the special conferences shall be confined to those included in the agenda. Such conferences shall be held within ten (10) calendar days after the request is made. This time limit may be mutually extended by the parties.

ARTICLE 8 - ASSIGNMENTS

The assignment of duties and functions of classroom Para Educators shall be the responsibility of the principal or assistant principal of the building. Para Educators shall be informed of their regular assignments at the beginning of the semester. In the event that changes of assignments or duties of Para Educators become necessary during any school year, Para Educators shall be informed as far in advance as feasible and practical. The principal shall maintain the flexibility to make adjustments in assignments for the benefit of the school program. Para Educators shall not be requested to escort students to their homes. In performing assignments, Para Educators are not expected to employ physical restraint.

The assignment of duties and functions of Transportation Aides shall be the responsibility of the administrator in charge of the Student Transportation Department. When assignments are made for Transportation Aides, the administrator in charge of Student Transportation or his designee shall supervise the activities and functions of said aides. The responsibility of the day-to-day duties of Transportation Aides shall rest with the Team Leaders.

ARTICLE 9 - EMPLOYMENT PRACTICES

Members of this unit shall be given a three (3) workday notice on all layoffs. This notice shall be in writing.

A. General

1. Employment will be determined in accordance with specific job openings, local school
needs, skills of the persons employed, and in accordance with the Detroit Public Schools Community District personnel policies, project employment requirements, job qualifications, and specifications.

2. New employees will be hired at the starting rate and are defined as employees who have never worked for the Detroit Public Schools Community District before as either a School Service Assistants or Para Educator as identified in the Recognition Clause, Article II.

3. Each work location will keep attendance records for each Para Educator. This information will be made available for the Para Educator's personal information and shall be maintained by the administrator and filed with the employee's evaluation.

4. Para Educators who work as Transportation Aides will be assigned, where feasible, to regular runs with hours ranging from twenty (20) to thirty (30) hours per week pursuant to seniority. All transportation Aides will be hired centrally through the Non-Instructional Personnel Office.

5. **Mileage**

   For each school year, the mileage rate shall reflect the rate that is used by the Internal Revenue Service for tax purposes for a maximum of 500 miles per month per employee.

   All unit members who are directed to use their own vehicles during regular working hours will qualify for mileage reimbursement.

   **B. Availability of Funding**

   1. The continued employment of any employee covered by this Agreement is contingent upon continued allocations and availability of funds by the District for that position. It is intended that all satisfactory Para Educators as identified in the Recognition Clause, Article II, who are assigned at the close of the school year, shall be reassigned to the program when and if the program resumes after refunding, providing their positions have been continued and funded.

   When projects extend beyond thirty-nine (39) weeks (ten-month school year) to summer periods, Para Educators who are available for positions will rotate positions until all Para Educators have worked one (1) summer, before rotation begins again.

   Where clustering, involving base and feeder schools is involved in the operation of summer schools, the parties agree that the assignment of Para Educators shall be based on the concept of there being a representative number of Para Educators from feeder and base schools. The number of Para Educators assigned to a cluster summer school is to represent directly the proportion of students who are to attend school.

   2. The School Advisory Committee, in meeting to consider applicants for any open position, will be instructed to give preference to all eligible released Para Educators applications on file in accordance with this provision.

   3. Para Educators whose employment is terminated because of reduction of funds in a given project should be interviewed for employment in other projects in existence at the time in
which vacancies have not been filled. Experienced employees who have not been
terminated at the end of the school year because of unsatisfactory performance and who
are otherwise qualified, shall have first preference for job vacancies for which they are
qualified in other Para Educator projects in the local school for the ensuing school year.
The School Advisory Council in meeting to screen applicants for any open positions shall
be instructed to hire all laid-off Para Educators who have been laid off due to reduction of
funds. (Names shall be on file.)

4. When the District closes a school, and new boundaries are determined for neighboring
schools, a list of the names of the laid-off Para Educators shall be forwarded to the newly
designated neighborhood schools. Those persons shall be given priority for placement
over new hires, with the person having the most seniority at the former school being offered
the first vacancy.

C. In Service Training

A Committee composed of three (3) representatives from the union and three (3)
representatives from the employer shall meet and structure an in-service program for the para-
professionals to up-grade their skills.

ARTICLE 10 – SENIORITY

Para Educators in a Classroom Setting -- when there is a reduction in service, priority for continued
employment will be given the Para Educator who holds the required credentials and has the greater
building seniority. In the event of equal seniority and credentials in the school building, the following
criteria will be used to determine seniority in the school building.

1. Seniority in employment with the Detroit Public Schools Community District; previous
   experience including Special Projects; and service at other schools or in other positions.

2. In the event this does not resolve the issue, the District and the Union shall meet to
   establish a workable solution.

3. Building seniority shall include any previous service provided at the school where
   employment was terminated due to economic necessity and reassignment to the same
   building did occur. (See Article IX. #3.)

4. Seniority for Bilingual aides will be within the language group specifically for which the aide
   was hired.

ARTICLE 11 – LAY-OFF/RECALL

Recall shall occur in reverse order of layoffs with the person having the greatest school seniority being
recalled first based upon the ability to do the job.

A District employee covered by this agreement shall return to work as directed by the District within five
(5) calendar days of the date of the notice of assignment letter or three (3) calendar days if notified by
telephone or email (absent extenuating circumstances as determined by the District). Failure to respond
to the written notice within the timelines above will result in the employee being considered a voluntary
quit and the District shall be under no further obligation to the employee.

It shall be the responsibility of the employee to notify the District of any change of mailing or email
address and telephone number immediately after such change.

Laid off employees shall be maintained on a recall list for a period of one years at which time recall rights
shall terminate.

In the event, the District deems it necessary, unit members will be considered laid off at the end of the
third (3rd) day of work stoppage by another bargaining unit, unless notified by the Emergency Financial
Manager, or if the District's financial emergency is resolved, the General Superintendent or his/her
designee. Notice to the contrary may include any date after the third day of the work stoppage.
Employees are to return to work on the day indicated in the notice, and such notice may include one or
more methods of communication. If the District recalls with the intent to reopen, the District shall have the
right to lay off employees again without the need for any specific notice in the event schools do not open
or schools open and are subsequently close.

Para Educators Transportation Aides -- When there is a decrease in the amount of funding for
Transportation Aides which forces a reduction in service, priority for continued employment will be given
the Transportation Aide whose employment with the District is of longest duration. In the event of equal
seniority within the school system, the following criteria will be used to determine the person with greatest
seniority:

1. Seniority in employment with the District; previous experience including Special Projects;
   and service at other schools or in other positions.

2. In the event this does not resolve the issue, the District and the Union shall meet to
   establish a workable solution.

Recall shall occur in inverse order of seniority.

ARTICLE 12 - GRIEVANCE PROCEDURE

A sincere attempt shall be made to resolve any difference by oral interview between the grievant(s) or the
Union and the principal for employees regularly assigned to schools or the applicable unit
head/supervisor for employees not regularly assigned to schools before the difference becomes

the following procedures:

employee or Union first became aware of the conditions giving rise to the grievance.

Upon receipt of the grievance, the principal or the applicable unit head shall arrange for a conference
within seven (7) calendar days after receipt of the grievance.

The grievant may be heard personally and may request representation by the Union. The Union will be afforded the opportunity to be present at any grievance hearing.

Step 3 – Arbitration

If a grievance is not satisfactorily settled at Step 2, the Union may, within thirty (30) calendar days file for arbitration in accordance with the following:

a. In writing submit to the other party a Demand for Arbitration of any grievance under this Agreement to final and binding arbitration. If the parties are unable to agree upon an arbitrator within seven (7) calendar days of notice to arbitrate, the party demanding arbitration shall refer the matter to the Michigan Employment Relations Commission or the American Arbitration Association by mutual agreement of the parties, which shall submit a list to the parties for the selection of an arbitrator. The arbitrator, the Union, or the Employer may call any person as a witness in any arbitration hearing. Each party shall be responsible for the expenses of the witnesses it may call. The arbitrator shall not have jurisdiction to add to, subtract from, or modify any of the terms of this Agreement or any written amendments hereof, or to specify the terms of a new Agreement, or to substitute at his discretion for that of any of the parties hereto. The per diem fees and the expenses of the arbitrator shall be shared equally by the parties. The arbitrator shall render his decision in writing not later than thirty (30) calendar days from the date of the close of the arbitration hearing. The decision of the arbitrator shall be advisory only and not binding upon the parties.

b. Or, if either party so requests, the School District and Union representatives will meet further to consider fairly and in good faith any other methods of settlement which might be mutually agreed upon, including private (non-governmental) mediation. In Steps 1 and 2 any decision not appealed to the next step of the grievance procedure within twenty-one
(21) calendar days from the date a written decision is furnished in accordance with the provisions set forth above, unless an extension is agreed upon in writing shall be considered settled on the basis of the last decision made and shall be eligible for further appeal only by mutual, written consent.

**Procedures for Grievances Not Under the Jurisdiction of the Principal or Applicable Unit Head**

The Superintendent, or his/her designated representative, shall meet with the concerned parties. Within fifteen (15) school days after receipt of the grievance, the Chief Executive Officer shall render a written decision which shall be forwarded to the Union.

The decision of the Superintendent, or his/her designated representative may be appealed to arbitration under the provisions of Step 3 above.

**General Grievance Powers**

If the Union fails to abide by any timeline or deadline contained in this section, the grievance shall be considered resolved. Timelines or deadlines may be waived or extended only by the mutual, written agreement of the parties.

The resolution of all grievances shall be in accordance with the procedures which are a part of this Agreement. If the grievant fails to appear at a scheduled grievance conference scheduled at the Union's request, the grievance shall be considered resolved.

The attendance or presence at any grievance conference of any person who is not a party to the grievance, a necessary witness, a necessary administrative staff member, or a Union representative shall not be permitted.

All grievances shall be processed confidentially. Neither party shall reveal information nor make any statement concerning the grievance to any person not a party to the grievance while the grievance is being processed.

**Computation of Back Wages and Overpayment**

Computation of wages or fringe benefits must be brought within two years from the date it is reasonable to assume that the union and/or the individual first became aware of the situation giving rise to the claim.

No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at his/her regular pay.

**ARTICLE 13 - PERSONNEL RECORDS AND FILES**
A. Personnel records shall continue to be confidential and carefully guarded in the interest of the individual employee. They are available only for administrative and supervisory use, but they are accessible, with the exceptions noted below, to the individual employee concerned.

B. The individual employee may examine his own record with the Chief Executive Officer or his/her designee. The exceptions include tests and reports from the Office of Medical Screening, Psychological Clinic, committees acting in selection or promotion processes, placement bureaus, and former employers which might make the District liable to claims of improper disclosure or publication.

The District, upon written request, shall provide employees an opportunity to periodically review their personnel records generally, not more than twice per year.

An employee may also obtain a copy of the information contained in the employee’s personnel file. The District reserves the right to charge the actual cost of duplicating said records.

No official report nor any derogatory statement about an employee in this bargaining unit shall be filed and considered part of the employee’s permanent record by an administrator or supervisor unless such employee is sent a dated copy within a reasonable time thereafter. The employee shall have the right to submit a response to the report or statement. Such response shall be attached to and filed with the report or the statement in the employee’s official personnel file. The employee shall have the right to grieve as to the relevancy of such statements to a current charge upon which personnel action is pending.

ARTICLE 15 – STAFFING and HOURS OF WORK

The work week normally will consist of six (6) hours and 25 minutes per day. Any work beyond the hours set forth above will be paid at the current rate up to forty (40) hours. Full-time employees shall have a daily duty-free and no-paid lunch period forty-five (45) minutes, and shall have a fifteen (15) minute paid daily relief period. The lunch period and daily relief period shall be scheduled by the principal. The relief period shall not be assigned as part of the first or final period of the day.

A. Emergency Conditions

When a work location is closed after the start of the work day due to building problems, employees will be dismissed without a loss of pay.

The parties agree that, where applicable, bargaining unit members may use the time during the common prep period on Wednesdays to work on record keeping, preparing for assisting students according to teachers' directions, and otherwise working with teachers. LETTERS OF AGREEMENT

Letter of Agreement – Professional Development – April 26, 2010

By their representatives' signatures below, the parties agree to the following: The District will, in consultation with the Union, endeavor to identify a professional development curriculum for School Service Assistants, Computer Science and Family Service Workers that is focused on raising student achievement. The District reserves the right to make the final determination of professional development.

Letter of Understanding
between

and
The Detroit Federation of Para-Professionals
Local No. 2350, AFT, MFT, AFL-CIO

During negotiations, the Union presented proposals regarding the career ladder for members of the Para-Professionals' bargaining unit. In response, the District indicated that there was a need for enhancing the skill set of employees in the various classifications within the bargaining unit. As a result, the District has explored setting up a classification structure within the Para-Professionals' bargaining unit, wherein a career ladder for bargaining unit members will be established based upon skills and qualifications of the unit members (In developing a career ladder, particular attention will be given to the early childhood development activity because of its uniqueness in the bargaining unit).

Within sixty (60) days of ratification of the successor Agreement, the District will finalize its review and make a determination of the feasibility of adopting such a classification structure. In the event the District determines that such a structure will enhance the performance of unit members within the classifications, a joint Union-Management committee will be formed to review the plan and reach consensus regarding its implementation.

Also during negotiations, the parties reviewed making all units of the Detroit Federation of Para-Professionals, (School Service Assistants, Noon-Hour Aides, Satellite Aides, and Satellite Coordinators), part of one contract. Both parties recognize the differences between the two bargaining units (hours of work, pay, and benefits, etc.) and will meet to accomplish incorporating both contracts into one agreement with these differences in mind. In addition, the District proposes to extend the offer of general pay increases and benefits to the Noon-Hour Aides as appropriate in view of the uniqueness of the Noon-Hour Aides' bargaining unit.

During negotiations, the Union asserted that benefits for the Para-Professionals' bargaining unit should be increased and expanded. In response, the District determined that it was not economically feasible to increase or expand benefits to all members of the Para-Professionals' bargaining unit beyond their current level. However, the parties did agree that a healthcare review committee comprised of representatives from the various, selected bargaining units within the District would be formed in an effort to standardize health care benefits.

When that review is completed, the District will determine whether it would be economically feasible to have all employees under the same benefits structure. However, this review may not result in generating any additional benefits for bargaining unit members.

On a related matter, during the bargaining session the dental benefit for other bargaining units was increased from $750 to $1,500. Since members of the Para-Professionals' bargaining unit are not entitled to dental benefits, the District agrees that an analysis of the cost of this benefit increase to other bargaining units will be assessed and, on a pro-rata basis, the costs may be equalized with the Para-Professionals' bargaining unit. Within sixty (60) days of ratification of the successor Agreement, the District will determine the amount of the benefit and meet with representatives from the Para-Professionals' bargaining unit to discuss how this amount will be applied to the bargaining unit.

The salary, benefits, and fringe benefits for Organizing Fellows and other union organizers shall be exclusively paid by the Union. Due to the District's need to maintain adequate staffing levels, the decision to release any District employee to become an Organizing Fellow or engage in organizing activities shall be at the discretion of the District. In the event the District decides not to release a District employee, the District and the Union will meet, confer, and agree upon an alternative employee to serve as an Organizing Fellow. The AFT Coalition - Detroit Federation of Paraprofessionals, Detroit Association of Educational Office Employees, and Detroit Federation of Teachers - may have no more than a total of six (6) Organizing Fellows per semester, at their discretion, selected from the Detroit Federation of Paraprofessionals, Detroit Association of Educational Office Employees, and Detroit Federation of Teachers bargaining units. Each constituent Union of the AFT Coalition may in its discretion appoint and have at least one (1) Organizing Fellow per semester, provided that the overall total of Organizing Fellows of the AFT Coalition does not exceed the foregoing limitation of six (6) per semester. The release of more than six (6) employees in one semester to serve as Organizing Fellows shall be by mutual agreement of the parties.
In pursuance of his/her duties, the Organizing Fellow shall not interfere with any District employee engaged in a regular class, a duty, a conference, home assignment, or interfere with the assigned functions of any employee, or the regular school program.

Whenever Organizing Fellows enter a school building to engage in organizing activities, the Organizing Fellow shall recognize the principal or his/her designee as the lead administrator in the school. The Organizing Fellow shall adhere to building visitor procedures (sign-in at the building's main office). In any event that there is a concern or confusion at the school level regarding the activities, duties, or functions of an Organizing Fellow, the District and the Union shall confer to resolve the concern or confusion as promptly as possible.

41. RESPECTFUL WORKING ENVIRONMENT (New Article): The following behaviors are inconsistent with a respectful working environment and are impermissible: (a) verbal abuse, which includes, but is not limited to, obscene, threatening, humiliating or intimidating language; and (b) non-verbal abuse, which includes acts that are threatening, humiliating or intimidating. Individual, group, or school-wide meetings shall not be utilized to threaten, humiliate or intimidate bargaining unit members. Employees shall suffer no retaliation for reporting incidents of concern.

The Office of Equity, Advocacy, and Civil Rights shall investigate bargaining unit member allegations of harassment, intimidation, retaliation, and discrimination that create undignified or disrespectful working environments or conditions. Substantiated claims shall be reported to the Superintendent or his/her appropriate designee(s) for corrective action, as needed.

If the Office of Equity, Advocacy, and Civil Rights does not resolve the issue(s) presented, the Union may bring such concerns, reports, or suspected violations to a Special Conference with the Office of Labor Relations who shall promptly report their findings to the Union.

If the allegation(s) remain unresolved, the Union may request a meeting (request through the Office of Labor Relations) with the Deputy Superintendent of Schools and/or the Superintendent's designee(s) within thirty (30) calendar days following the Special Conference. The Superintendent's designee(s) findings and actions to address the unit member claims shall be reported promptly to the Union.

Remedies and corrective actions of confirmed allegations may include, and shall not be limited to, appropriate counseling, reversing adverse actions, directing the training of an employee regarding proper professional conduct toward all employees and vendors, discipline and debarment to the extent permitted by law and/or other corrective actions.

Nothing shall prevent a bargaining unit employee from electing to pursue a legal or statutory remedy.
42. This Agreement shall become effective upon ratification by Detroit Federation of Paraprofessionals membership and approval of the Board of Education.

THEREFORE, by the representatives' signatures below, the parties agree to the terms (to be incorporated into the CBA) as outlined above.
