Bargaining unit members may request a medical leave of absence for themselves or family member’s serious medical condition. Medical leave of absence requests may be granted based on objective medical documentation submitted to Employee Health Services for review. Medical leave of absence requests will only be considered if submitted with objective medical documentation within fifteen (15) calendar days. Objective medical documentation that clearly states the condition, status and restrictions is required for the consideration of unpaid medical leaves of absence. Failure to provide objective medical documentation supportive of the need of an unpaid medical leaves of absence shall result in the unpaid medical leave request being denied.
A. DEFINITIONS

1. A **serious medical condition** is an illness, injury, or condition that involves one or more of the following:
   - Illness or injury lasting more than three consecutive days.
   - Incapacity and involves continued treatment by or under the supervision of a healthcare provider

   - An absence to receive multiple treatments for restorative surgery after an injury or to prevent a period of incapacity of more than three consecutive days.

2. **Family members** shall consist of employee’s spouse, minor children and parents

B. REQUESTING A QUALIFYING MEDICAL LEAVE

The employee is expected to provide at least 30 days' notice when requesting a foreseeable leave. When an employee becomes aware of a need for an unforeseeable leave less than 30 days in advance, the employee must provide notice of the need for the leave as soon as reasonably practicable, generally within one (1) or two (2) working days after you become aware of the seriousness of your condition. Leave requests that are not submitted according to the collective bargaining agreement and as soon as practicable may be denied.

C. CERTIFICATIONS FOR QUALIFYING MEDICAL LEAVE

The District will require a physician’s certification for the employee’s or covered family members'-own-serious health condition. The employee will be required to provide an updated physician’s certification prior to the expiration of the approved timeframe and not to exceed twelve (12) weeks during medical leave periods. Medical certifications are to be submitted to Employee Health Services only via fax, (313) 748-6119 or email, dps.ehs@detroitk12.org. Employee Health Services will review and approve based on the objective medical documentation submitted with the employee’s request. Requests submitted with subjective documentation will be requested to provide objective medical documentation within 15 calendar days. Failure to comply with the above mentioned requirements will result in denial of leave or reinstatement from leave, in which case the employee’s leave of absence would be unauthorized, subjecting the employee to discipline up to and including employment termination.
Incomplete Certifications
If an incomplete medical certification is received, Employee Health Services will provide the employee with an opportunity to either have the health care provider correct the certification or provide a written release for Employee Health Services to contact the health care provider directly. The employee will have an opportunity within 15 calendar days to resolve any deficiencies in the medical certification. The request to return from medical leave should be completed by the employee's health care provider and submitted to Employee Health Services at least 5 days in advance of the expected date of return reflected on the Request for Leave form.

If the employee is released to return to work with restrictions, Employee Health Services will determine whether the restriction can be reasonably accommodated. Medical restrictions are those that prevent the employee from performing his or her regular duties at the end of the approved leave due to a continuing medical condition.

If an employee on leave for personal medical reasons is released to return to work sooner than the expected return date listed on the Leave Request, the employee must notify Employee Health Services within 1 day of receiving the release.

Unable to Return from Medical Leave of Absence
If the employee is not medically released to return to work at the end of his or her leave and the employee has not been granted any additional leave, employment ends as "unable to return from leave" effective the last day of

If the allegation(s) remain unresolved, the Union may request a meeting (request through the Office of Labor Relations) with the Deputy Superintendent of Schools and/or the Superintendent's designee(s) within thirty (30) calendar days following the Special Conference.
