Please note that I will be the ONLY ONE who will start the meetings. Join the meeting on time and wait ‘in the lobby’ until I admit you. This will be your attendance check. Please do not come ‘in and out’ of meetings. Cameras on (preferably) and a neat working space are ideal for focus and attention. Headphones are also suggested so your learner can block out background noise. **Please note that we will not be ‘on line’ or live the entire hour.** Most often, I will teach a lesson, reinforce the concept with a shared video or discussion and then your student will complete assignments independently off line. Assignments will be submitted (more on that to come) for a grade. Thank you for your patience and support as we navigate these rough waters.
