Please note that I will be the ONLY ONE who will start the meetings. Join the meeting on time and wait ‘in the lobby’ until I admit you. This will be your attendance check. Please do not come ‘in and out’ of meetings. Cameras on (preferably) and a neat working space are ideal for focus and attention. Headphones are also suggested so your learner can block out background noise. Please note that we will not be ‘online’ or live the entire hour. Most often, I will teach a lesson, reinforce the concept with a shared video or discussion and then your student will complete assignments independently offline.

Assignments will be submitted (more on that to come) for a grade. Thank you for your patience and support as we navigate these rough waters.
