Dear Virtual School Students and Families:

As we plan for the next school year, we want to share important information about Virtual School enrollment for the 2022-2023 school year.

First, remember that if you would like to return to your “home” school in DPSCD, this is your last opportunity to do so and hold your seat at that school. If you do not return in the Fall of the 2022-2023 school year, your seat will no longer be held for you.

Second, for the 2022-2023 school year, students who were chronically absent (missed 10% of school days or more) and fail one or more core (ELA, math, science, social studies) classes will not be eligible to return to Virtual School. Students in K-2 who were chronically absent are not eligible to return to the Virtual School.

Please complete this survey (copy this link your browser if needed: https://dpscd.az1.qualtrics.com/jfe/form/SV_bxv71MivtAkT1hY) to identify your enrollment plan for 2022-2023. You must be logged into your student’s account to complete the survey.

Eligible students can indicate if they will be returning to the Virtual School. Students who are ineligible can indicate which in-person DSPCD school they plan to attend next fall. Families who are unsure where they would like to attend in the fall will receive follow up from our enrollment team for assistance. To complete the survey, you must be logged into your student’s email account.

Any questions should be sent to virtual.school@detroitk12.org
