

PICKING THE PERFECT SCHOOL

2024 | GUIDE | 2025

STUDENTS RISE.

BACK TO SCHOOL
WITH DPSCD

WE ALL RISE.

IMAGINE A SCHOOL MADE JUST FOR YOU

Detroit Public Schools Community District (DPSCD) offers a variety of schools and programs to meet the needs of every student and family. Find your fit today:

NEIGHBORHOOD SCHOOLS

Elementary, K-8 and high schools across Detroit, offering strong academics in reading, math, science, social studies, along with art, music, and gym.

EXCEPTIONAL STUDENT EDUCATION (ESE) & ALTERNATIVE EDUCATION

Programs tailored to support students with exceptional needs, providing interventions and enrichment.

CAREER TECHNICAL EDUCATION (CTE)

Prepares students for careers through hands-on training, work-based learning, and technical skills integration.

ADULT EDUCATION

Programs for adults seeking high school completion, GED, basic education, and English as a Second Language (ESL).

APPLICATION SCHOOLS

Specialized programs such as Montessori, gifted and talented education, language immersion, performing arts and more. Admission requires an application.

EXAMINATION HIGH SCHOOLS

Premier program offering dual enrollment, career pathways, competitive athletics, and community partnerships. Admission requires an exam and online application.

Need help finding the right school? Visit detroitk12.org/enroll or call **313-240-4377** today!

HOW TO ENROLL

When students rise, we all rise! Join Detroit Public Schools Community District today.

Three Easy Steps to Enroll:

FILL OUT AN ENROLLMENT PACKET

Available at schools or online at detroitk12.org/enrollnow. Packets are available in **Arabic, Bengali, English and Spanish** and other languages available upon request.

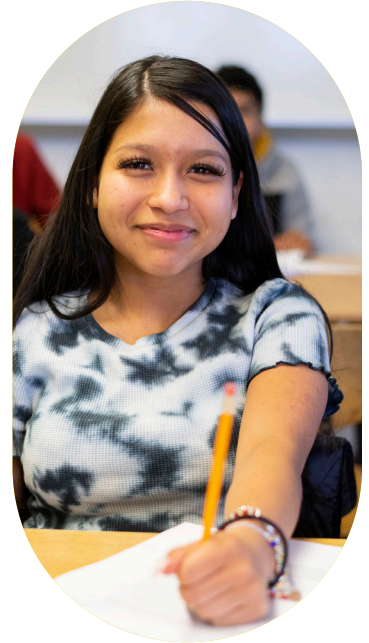

GATHER REQUIRED DOCUMENTS

- ☐ Parent/Guardian photo ID
- ☐ Student's birth certificate or record
- ☐ Student's immunization record or waiver
- ☐ Most recent transcript or report cards
- ☐ Two forms of proof of address
- ☐ **NEW:** Oral Health Assessment (Kindergarten Only)

SUBMIT ENROLLMENT MATERIALS

Submit forms in person at your school during school hours or upload them online at detroitk12.org/enrollnow.

VACCINE REQUIREMENTS

New students, Kindergarten and 7th-grade students must be up-to-date on childhood vaccines (Diphtheria, Tetanus, Pertussis, Polio, Measles, Mumps, Rubella, Hepatitis B, Meningococcal Conjugate, Chicken Pox). Starting 2024-25, Kindergarten students must also have an Oral Health Assessment before entering school.

For immunization waivers, contact the Detroit Health Department at **313-876-4667** before enrollment.

To learn more or receive support, Visit detroitk12.org/enrollnow or call **313-240-4377** today!

LETTER FROM THE SUPERINTENDENT

Dear Families and Students,

Thank you for your continued commitment to Detroit Public Schools Community District (DPSCD). We are proud of your decision to continue to choose DPSCD as the education option for your child's academic and social success considering the various options you have to educate your child. At DPSCD, we are excited to announce another opportunity to increase teacher salaries this fall! Our latest agreement with the Detroit Federation of Teachers will now place DPSCD in a more competitive advantage to recruit and retain the most dedicated, experienced, and talented teachers in the area. This certainly separates DPSCD from other education options in the area. We know that one of the best investments that we can make in our students is through their teachers because they are the ones who work directly with your child on a day-to-day basis. This is why we are committed to employing teachers who are only certified or actively working toward their certification.

Our investment in teachers has led to notable improvements in student achievement. Since the pandemic, the DPSCD has eliminated aggregate learning loss from the pandemic in both literacy and mathematics. Our performance in literacy, mathematics, and the P/SAT has reached its highest levels in the District's history. In fact, our improvement since the pandemic outpaces city charters, state averages, and county averages. DPSCD is one of the most improved large urban school districts in the country.

DPSCD will receive additional funding over the next three years through the literacy lawsuit settlement. These funds will be used to reduce class sizes in K-3, hire more Academic Interventionists to work one-on-one with students performing below grade level, and provide each DPSCD parent with free online literacy tutoring for their students after school. The District will also continue to offer after school tutoring for literacy and math after school. Summer school will also be available at no cost to families next summer.

As we continue to improve student achievement, we must improve student attendance and overall climate and culture. We know that if students miss fewer than 9 days of school, then they are 3 to 5 times more likely to be at or above grade level in literacy, math, and to be college ready as defined by the P/SAT. The District has used philanthropic funding to expand Health Hubs and Family Resource Centers across the city to provide students and families with free access to basic medical, dental, and mental health services to all families and offer benefits such as food pantries, eviction support, and legal services. This is to address many of the causes of student absenteeism. While better supporting our families and students, we will be increasing accountability for poor attendance. Starting next year, if students miss more than 45 days of school without extending circumstances, then they will be subject to retention and/or required to attend their neighborhood school to improve access to transportation.

To also improve the experiences of our students, families, and staff we will be placing extra attention on climate and culture. We all need to be more sensitive and conscious of how we are interacting with each other with extra respect, patience, professionalism, and understanding. We want everyone to feel more loved, challenged, and prepared, especially our students. Schools will have more funding to offer more "fun" activities for students and more team building exercises for staff. The District is also actively working to implement a trauma-informed curriculum for all schools and grade levels in 2025-26. This will assist our students and staff to work toward breaking the cycle of harm. We will also continue to fund and provide all of our schools with expanded mental health support for all students. This is something we look to expand to our employees as well next year.

The upcoming school year will begin on Monday, August 26, 2024. Please make sure you print and save the DPSCD calendar to reference key dates, such as parent teacher conferences, report card distribution, and holiday breaks.

Let's have another excellent school year!

Sincerely,
Dr. Nikolai P. Vitti, ED.D.
Superintendent,
Detroit Public Schools Community District

EQUITY, FAMILY, AND COMMUNITY ENGAGEMENT

Stay engaged with the Office of Equity, Family, and Community Engagement (E-FACE) to explore initiatives and events that foster stronger connections between families and schools. E-FACE focuses on boosting involvement, offering professional development, and ensuring equity-centered leadership and support across the district.

INITIATIVES

Parent Teacher Home Visit Project (PTHVP)

Bridging the gap between parents and teachers helps students thrive. PTHVP offers home or community visits outside school hours, proven to boost attendance, academic performance, and positive behavior. Get involved today to strengthen communication with your child's teacher.

Student Leadership Development Program

The Student Leadership Development Program provides students with essential tools to enhance their leadership and personal development skills through hands-on experiences. Participants can explore new opportunities while earning \$25 per course, up to 4 courses per year.

Faith-Based Partnerships

The Faith-Based Initiative brings together faith organizations to support students and families through mentorship, volunteer efforts, donations, and more. Recognizing the vital role of faith communities, this partnership strengthens the "village" that helps students succeed.

School Advisory Councils

The School Advisory Council (SAC) is a 19-member group at each school, made up of school leadership, staff, parents, students, and community members. Their goal is to implement the school improvement plan, with a focus on reducing chronic absenteeism by identifying and removing barriers to daily attendance.

EVENTS

Parents Are Heroes Conference

This conference celebrates the vital role parents play in shaping students' lives. Parents can reconnect, meet new friends, and learn best practices for modern parenting. Workshops address topics like discipline, social media, setting goals, managing stress, and living a healthy lifestyle, all based on areas of concern raised by parents.

Student Empowerment Experience

Organized by the District's Executive Youth Council, this conference empowers young leaders from DPSCD high schools through inspiring courses in a fun, uplifting environment. The event is designed to motivate and equip students with the tools to lead effectively.

Summer On the Block

Join our annual summer event to prevent learning loss! Students, families, and the community are invited for a day of fun activities, educational resources, and connections with district partners. Enrolled families receive bridge books, enjoy music, food, ice cream, and participate in workshops. New families can also attend to get enrollment guidance.

EQUITY AND ENGAGEMENT

Equity is a core value at DPSCD. The Equity and Engagement division ensures diversity is embraced as an asset, providing all members of the community with the tools and resources needed for success. This work includes training, events, extended learning, and collaborative initiatives to enhance equity awareness, policies, and practices for students, staff, families, and the community.

PARENT ACADEMY

Parent Academy, one of DPSCD's key initiatives, offers free year-round workshops and activities to help parents advocate for their students. New this year, parents can earn \$25 per course through the Parenting Club for select classes. From understanding an IEP to learning to swim or practicing yoga, parents can explore a wide range of courses in the bi-annual catalog.

To stay updated on Parent Academy offerings, visit:
www.detroitk12.org/parentacademy

Sign up today for more information on how you can earn \$25 per parenting class using the QR code

FAMILY RESOURCE DISTRIBUTION CENTER

The Family Resource Distribution Centers (FRDC) provide families with essential household items on a monthly basis, available at multiple locations.

For more information call 313-873-7490 or visit www.detroitk12.org/frdc

OFFICE OF HOMELESS AND FOSTER CARE (OHFC)

The Office of Homeless and Foster Care's (OHFC) supports homeless students, ensuring they can fully engage in school. McKinney-Vento eligible students have access to vital DPSCD resources to help them succeed academically and socially.

FEDERAL DEFINITION OF HOMELESSNESS

Homelessness is defined as lacking a fixed, regular, and adequate nighttime residence, including:

- **Sharing the housing of others due to loss or economic hardship**
- **Staying in motels, trailer parks, or campgrounds without other options**
- **Living in shelters, transitional housing, cars, parks, abandoned buildings, or substandard housing**
- **Unaccompanied youth not in the physical custody of parent or guardian living in any of the above situations**
- **The student's living arrangement must meet the McKinney-Veto definition; and the student is not in the physical custody of a parent**

Students experiencing any of the above living situations have three options to request support from the OHFC:

Call 313-748-6383

Email ohfc@detroitk12.org

Address 16164 Asbury Park, Detroit, MI 48235

**Submit a McKinney-Vento referral form to
<https://bit.ly/External-DPSCD>**

**SCAN QR CODE
for Referral Form**

WHOLE CHILD SUPPORT

School guidance counselors play a crucial role in helping students thrive at their best-fit school.

ELEMENTARY & MIDDLE SCHOOL COUNSELING

Counselors engage students through classroom, small group, and individual sessions to support academic, social-emotional, and college/career goals. Comprehensive programs focus on career exploration, personal growth, relationships, and academic achievement, emphasizing prevention and early intervention. Streamlined administrative duties allow K-8 counselors to focus on interactive guidance activities and services.

HIGH SCHOOL COUNSELING

Building on earlier foundations, high school counseling helps students plan for their future by aligning goals with their interests and abilities. Academic planning for college and career readiness ensures students are prepared for post-secondary success.

DPSCD counseling programs use a structured framework that includes a counseling curriculum, responsive services, individual planning, and systems support, adapting to students' evolving needs as they progress through school.

DIRECTORS OF SCHOOL COUNSELING

Donyelle Powell, Director (K-8) - donyelle.powell@detroitk12.org

Nicole Carter, Senior Director (HS) - nicole.carter@detroitk12.org

SCHOOL COUNSELORS

- Serve all students
- Provide short-term individual and small group counseling
- Lead classroom, guidance lessons on topics like Career Exploration, Xello (7th-12th), Expect Respect, and Social-Emotional Learning (SEL)
- Consult with parents and staff regarding student achievement and social-emotional development
- Collaborate with PBIS (Positive Behavior Interventions and Supports)/CLT (Culture & Climate Leadership Team) to foster a positive school environment
- Conduct wellness checks with families
- Support College and Career Readiness initiatives for high school and post-secondary success
- Work with Deans of Culture/Attendance Agents to improve behavior and attendance through interventions

UNIVERSAL WELLNESS SCREENING (FALL SURVEY)

Developed in partnership with TRAILS (Transforming Research into Action to Improve the Lives of Students), the Universal Wellness Screener is administered during the fall to guide recommendations on student support services based on results:

1 TIER

Continued engagement with school-wide mental health initiatives.

2 TIER

Small group interventions addressing specific concerns, following the Cognitive Behavioral Therapy (CBT) model. Parental permission required.

3 TIER

Referrals for more intensive behavioral health services, with one-on-one support from counselors, social workers, or behavioral health providers.

BEHAVIORAL HEALTH SUPPORT

DPSCD partners with community organizations to provide supplemental behavioral health services in every school.

Mental & Behavioral Health Support Line: 313-462-2305

DPSCD's Behavioral Health Hotline is staffed by trained School Social Workers, offering tele-counseling for trauma, grief, and resource support to students and parents.

For additional questions, contact **Dr. Angelita Jacobs**, Executive Director of Whole Child Support, at angelita.jacobs@detroitk12.org or by phone at **313-873-7494**.

Suicide Prevention Lifeline - Call or Text 988

Hours of Operation:
Monday-Thursday
(5:00 p.m. - 8:00 p.m.)

PARTNER SUPPORT AND RESOURCES

DPSCD partners with hundreds of organizations to support students and families. Learn more about these school-based partnerships at tinyurl.com/DPSCDPartnerMap.

For more information on DPSCD behavioral health support, visit detroitk12.org/areyouok.

EXCEPTIONAL STUDENT EDUCATION (ESE)

The Office of Exceptional Student Education (ESE) provides services for students with individualized education plans (IEP), Section 504 accommodations, and those in the Gifted and Talented Education (GATE) program. Our programs offer the support, interventions, and enrichment necessary for students to thrive.

ESE PROGRAMS

- Autism Spectrum Disorder
- Day Treatment
- Deaf and Hard of Hearing
- Dual Diagnosed
- Early Childhood Developmental Disorder
- Early Childhood Special Education
- Emotional Impairment
- Gifted and Talented Education (GATE)
- Homebound or Hospitalized
- Mild/Moderate/Severe Cognitive Impairments
- Physical and Other Health Impairments
- Post-Secondary (Project Search, Essential Skills Transition, Work Skills)
- Resource
- Severe Multiple Impairments
- Visual Impairments

For more information, visit:
detroitk12.org/ease or
call 313-873-7440.

STARTING EARLY WITH PRE-K

WHY START TODAY?

The first five years are key to a child's future success. Enrolling in a Pre-K program helps young learners build essential literacy, language, math, and social-emotional skills, setting a strong foundation for Kindergarten and beyond.

Pre-K at DPSCD Schools

The Department of Early Learning and Montessori aims to provide equitable, high-quality educational experiences for all Pre-K students through exploration and play.

Our program offers:

- **Safe and healthy learning environments**
 - **A high-quality curriculum**
- **Developmentally appropriate practices tailored to individual needs**

DPSCD offers tuition-free, high-quality early learning for children who turn 4 by December 1, 2024, through two programs: the Great Start Readiness Program (GSRP) and Montessori.

Great Start Readiness Program (GSRP)

GSRP is a state-funded Pre-K program within elementary schools, offering classes Monday-Thursday for 16-18 students. It focuses on whole child development and provides support services for families. Eligibility is based on income guidelines set by the Michigan Department of Lifelong Education, Advancement, and Potential.

Learn More and Apply at:
detroitk12.org/prek

Montessori

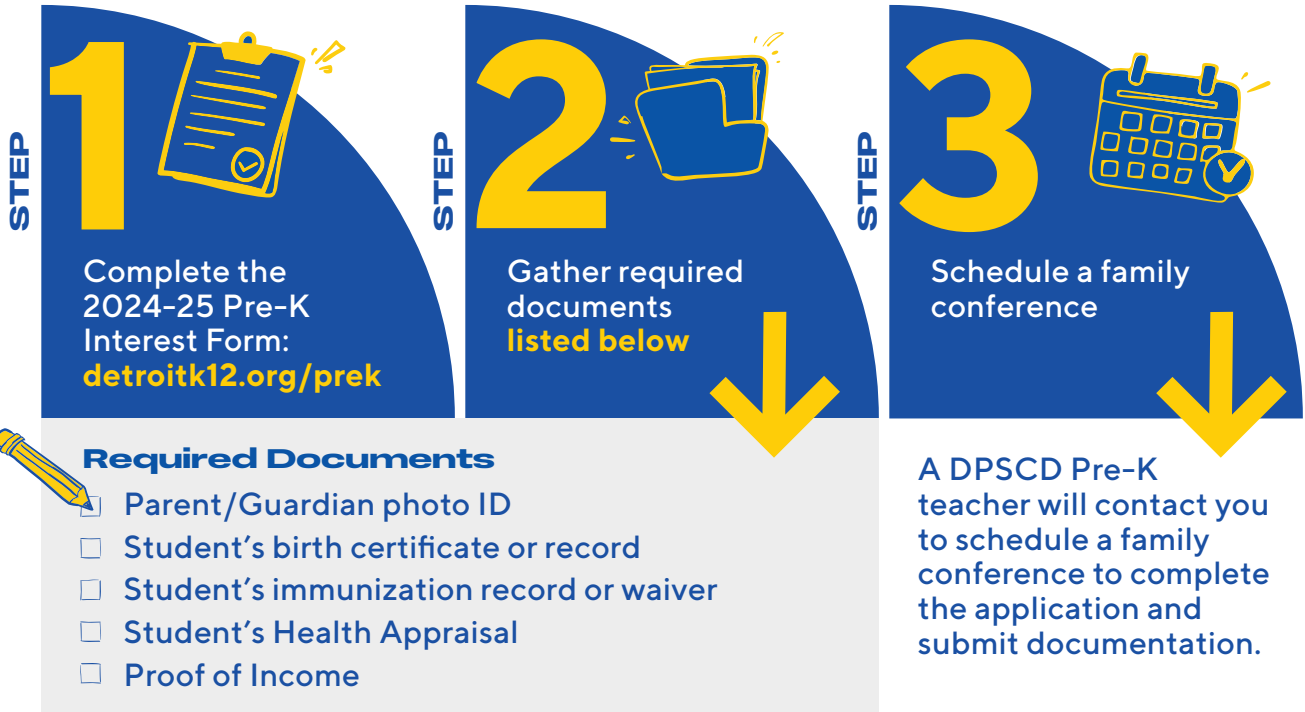

DPSCD offers a tuition-free Pre-K-8th grade Montessori program grounded in Montessori philosophy. We focus on creating student-centered environments that foster independence, critical thinking, ethical behavior, and self-expression. Our goal is to nurture respectful, responsible, and resourceful lifelong learners.

Learn More and Apply at:
detroitk12.org/montessori

HOW CAN FAMILIES BEGIN THE PROCESS?

Enroll your child in **DPSCD's GSRP Pre-K** in just three steps:

Watch Our Pre-K Video
www.youtube.com/watch?v=qEZscdL5vII

Enroll your child in Pre-K today and join DPSCD by visiting
www.detroitk12.org/prek or call 313-985-1482.

Explore new career interests through Career Pathways!

High school Career Pathway programs, also known as college and career pathways, prepare students for both college and careers by offering a sequence of courses aligned with their interests. These programs connect students to local industries, providing hands-on work experience.

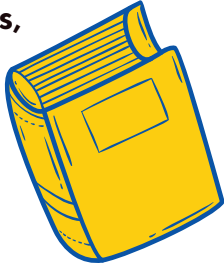

Students can choose from various Career Pathways at their high school or career and technical education (CTE) centers, with opportunities for internships, apprenticeships, and earning entry-level industry certifications.

CTE Sites: Breithaupt, Golightly, and Randolph

BUILDING A CHAMPIONSHIP CULTURE

Participation in school sports can be one of the most impactful learning experiences for students. The DPSCD Office of Athletics ensures K-12 students have access to high-quality programs that build confidence, discipline, respect, and commitment. In the 2023-2024 school year, over 5,000 students participated in athletics throughout the district.

Established in 1904, DPSCD athletes compete in the Public School League (PSL), one of the oldest athletic leagues in the U.S. Our student-athletes and coaches continue a legacy of excellence, following in the footsteps of alumni like Dave Bing, William Gholston, Derrick Coleman, Antonio Gates, Kyra Jefferson, and Sauce Gardner. Each year, high school athletes earn millions in scholarships and go on to collegiate and professional careers.

DPSCD offers a growing selection of sports to match students' individual needs and interests.

- Baseball
- Basketball
- Bowling
- Cheerleading
- Cross Country
- Football
- Golf
- Lacrosse
- Tennis
- Track & Field
- Soccer
- Softball
- Swimming
- Volleyball
- Wrestling

PSL STUDENT-ATHLETE OPPORTUNITIES

PSL student-athletes showcase their talents in Michigan's top venues, including Ford Field, Comerica Park, Wayne State University facilities, Hamtramck Negro League Stadium, and Wayne County Community College Fieldhouse.

In 2023-2024, the Office of Athletics named 362 All-City student-athletes and celebrated outstanding coaches, teams, and athletes at the annual All-City Celebration at The Aretha Franklin Amphitheatre.

SPECIAL AWARD RECIPIENTS INCLUDED:

Athletic Coordinator of the Year

Anthony Paciero
Southeastern High School

Athletic Program of the Year

Renaissance High School

Coach of the Year

Louis Mitchell
Volleyball
Renaissance High School

Male Athlete of the Year

Lance Stone
Basketball/Cross Country/Track & Field
Renaissance High School

Female Athlete of the Year

Sydney Evans
Softball/Golf
Cass Technical High School

Volunteer of the Year

Lakia Totton
Cody High School

Community Partners of the Year

Milk Means More & Planet Fitness

Exemplary Service Recipients

**Stephanie Carreker, Darryl Weaver,
Percy Jackson, Willie Ogletree**

Students Rise. We All Rise.

STEM ENRICHMENT

PROGRAM OVERVIEW & HIGHLIGHTS

The Office of Science, Technology, Engineering, and Mathematics (STEM) Enrichment offers three free after-school programs: Academic Games, Chess, and Robotics. These programs provide students the chance to participate in local, state, and national competitions. DPSCD proudly has national leaders in these areas.

ACADEMIC GAMES

Students engage in games like Equations, On-Sets, LinguisHTIK, Propaganda, Presidents, Theme, and Current Events. They build teamwork by working collaboratively, develop strategy through planning, and enjoy camaraderie with their peers. The season runs from September to February (local), March (state), and April (nationals).

CHESS

Students learn chess fundamentals and tactics, competing with their peers. The season is September to March (local) and April to May (nationals).

ROBOTICS

Students learn how to work collaboratively while building robots. The K-8 season runs from September to December, and the high school season is December to March/April.

**THE 2023-2024 SEASON WAS A SUCCESS,
WITH STUDENTS EXCELLING IN STATE AND
NATIONAL TOURNAMENTS:**

ACADEMIC GAMES

We celebrated winners from Chrysler Elementary School, Edison Elementary School, Bunche Preparatory Academy, Bates Academy, and Mackenzie Elementary-Middle School.

CHESS

Seven schools qualified for the National Championship, including Bates Academy, Bunche Preparatory Academy, Davison Elementary-Middle School, Edmonson Elementary School, Sampson-Webber Leadership Academy, Cass Technical High School, Renaissance High School, and The School at Marygrove.

ROBOTICS

A record number of middle schools, including Academy of the Americas, Bates Academy, Clippert Multicultural Magnet Honors Academy, Davison Elementary-Middle School, Durfee Elementary-Middle School, Foreign Language Immersion and Cultural Studies School, Golightly Education Center, and Palmer Park Preparatory Academy, qualified for the state competition. Additionally, three high schools—Martin Luther King Jr. Senior High School, Renaissance High School and The School at Marygrove—qualified.

We're confident your child will love being part of these exciting STEM Enrichment programs!
Contact your students' school for more information or visit www.detroitk12.org/stem

"I love Academic Games. It is so fun to have a different learning experience. But most of all, I've learned about myself. I am grateful for being a part of this team."

JUSTICE DAVIS

8th grader at Mackenzie Elementary-Middle School
(State and National winner)

"Chess has helped me look forward in life as it requires me to make multiple plans that account for different ideas."

DEVIN LOTT

Senior at Cass Technical High School
(Chess Team)

"When you take your time and think about what you're doing, you get better results."

BRAYLON FIELDS

Sophomore at Cass Technical High School
(Chess Team)

"When I first joined robotics in 9th grade. I failed to realize the level of discipline I was going to experience. Robotics is something that will bring your best self. It has helped me form the base of who I am and what I want to do with my life. I believe it can do the same for others, even people who are planning to get a career unrelated to robotics."

XAVIER MCDONALD

Senior at The School at Marygrove
(Captain K9.0 Robotics #8280)

FINE AND PERFORMING ARTS

The Office of Fine and Performing Arts provides equitable opportunities for K-12 students to develop lifelong skills in dance, visual art, theater, and music. Our programs unlock student potential by connecting them with meaningful, student-centered college and career opportunities through the rich arts resources and instructors in Detroit.

Through the District's Cultural Passport program, a partnership with arts organizations, students visit cultural institutions like the Detroit Symphony Orchestra, Detroit Opera, and Detroit Institute of Arts. These experiences enrich students, fostering creative thought and holistic development.

DPSCD students have showcased their talents at major events, including the NFL Draft, An Evening of Fine Arts at the Fox Theatre, and the DPSCD Art Exhibition at the DIA.

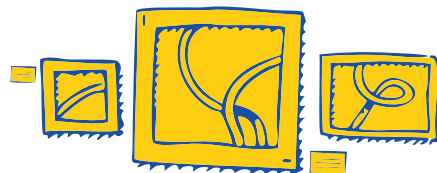

NFL DRAFT

DPSCD's All-City Marching Band was front and center, performing at Hart Plaza and participating in the event's theatre experience. Throughout the city, DPSCD ensembles—including choirs, bands, and dance companies—performed weekly at On the Clock events, entertaining the community at recreation centers and Corner Ballpark in the leadup to the draft.

ART EXHIBITION AT THE DIA

In DPSCD's longest-running partnership with the Detroit Institution of Art (DIA), K-12 students get to showcase 200+ of their own artworks, nearly 1000 pieces are submitted and selected by a jury of DPSCD art educators and DIA staff. The exhibition features a wide range of mediums, including ceramics, painting, drawing, sculpture, photography, digital art, and more.

AN EVENING OF FINE ARTS (EFA)

An adjudicated event, EFA showcases 650+ of DPSCD's top visual and performing artists, celebrating their talent and achievements. As the culminating event of the fine arts school year, EFA highlights the tremendous growth and development of student talent across the district.

For more information about DPSCD
Fine and Performing Art program, visit
www.detroitk12.org/finearts.

FINE AND PERFORMING ARTS

DETROIT SCHOOL OF ARTS (DSA) PATHWAYS INITIATIVE

The Office of Fine and Performing Arts provides a robust, evolving K-12 curriculum to meet students' needs and prepare them for personal, collegiate, and career success. Our sequential K-8 curriculum offers a strong foundation in Arts instruction, while high school courses—ranging from beginning to advanced levels—equip students for creative challenges after graduation.

DSA PATHWAY SCHOOLS

- Brenda Scott Academy for Theatre Arts
- Edward “Duke” Ellington Conservatory of Music & Art at Beckham Academy
- John R. King Academic & Performing Arts Academy
- Spain Elementary-Middle School

To learn more about DSA Pathways Initiative, visit:
www.detroitk12.org/dsapathways

STUDENT TRANSPORTATION

DPSCD's Office of Student Transportation (OST) is committed to providing safe, efficient, and reliable transportation for 12,000-13,000 students each year. All yellow bus drivers must pass background checks, hold a commercial driver's license (CDL), and undergo random drug testing.

EXPANDING TRANSPORTATION SERVICES

DPSCD utilizes a multi-modal system, including school buses, small vehicles, District-owned vans, and free DDOT bus passes for eligible students. This expanded transportation ensures safe, dependable options for every eligible student, regardless of their needs or circumstances.

WHO IS ELIGIBLE FOR TRANSPORTATION SERVICES:

K-8

DPSCD offers transportation to K-8 students in standard education who live more than 3/4 of a mile from their neighborhood school.

HIGH SCHOOL STUDENTS (GRADES 9-12)

Students are eligible for a free 31-day DDOT pass each month, available at their home school office. Students must show their DPSCD-issued ID to the bus operator. Contact your school's office for questions about student IDs and DDOT passes.

EXCEPTIONAL EDUCATION STUDENTS

Transportation is provided if required by the student's Individualized Education Plan (IEP). Parents and caregivers of students with an IEP may contact the **Exceptional Student Education Department's** enrollment office at **313-748-6363** regarding transportation related IEP concerns.

CAREER AND TECHNICAL EDUCATION STUDENTS (CTE)

Transportation is available for students traveling between their high school and Career and Technical Center.

To learn more about the Office of Student Transportation, please visit detroitk12.org/transportation or call the DPSCD Transportation Help Line at **313-945-8600**.

To access the Bus Stop Location scan the QR code.

SCHOOL NUTRITION

The Office of School Nutrition (OSN) provides free, healthy meals to all K-12 students, serving over 50,000 meals daily. All meals meet USDA guidelines and are prepared on-site to ensure quality.

PROGRAMS OFFERED

BREAKFAST IN THE CLASSROOM

Breakfast is served at the start of the day in classrooms or cafeterias.

NATIONAL SCHOOL LUNCH PROGRAM

Free, freshly cooked meals are provided daily through a modified scratch cooking program.

SUPPER PROGRAMS

Free, healthy meals are offered after school in support of tutorial and enrichment programs.

SUMMER FOOD SERVICE PROGRAM

Ensures Detroit youth have access to meals during the summer months.

SCHOOL NUTRITION SAFETY & INNOVATIONS

All menus are free of peanuts, tree nuts, fish, and shellfish. For students with disabilities requiring dietary accommodations, a Special Dietary Needs Accommodations Form must be submitted.

FOOD TRUCKS

OSN operates two food trucks during non-inclement weather, rotating weekly to high schools and district events. Meals are prepared by the District's chefs.

FARM AND GARDEN PROGRAM

The Farm and Garden Program connects students and the community to local agriculture, empowering them to grow their own food at school or home. Currently, 82 schools participate, with plans to expand. Each site includes six raised garden beds built by DPSCD carpentry students, growing fruits, vegetables, and edible flowers for classroom use or school salad bars.

DREW FARM

Located at Charles Drew Transition Center, Drew Farm spans two acres and features six greenhouses, in addition to field production space. Producing 20,000 pounds of organic food annually, the farm aligns its crops with district menus and salad bars. It serves as the centerpiece of the school garden program and a replicable model for district-wide food production.

OSN also hosts field trips and community events to teach students and families about local agriculture, healthy eating, and sustainability.

For more information about school nutrition, visit detroitk12.org/schoolnutrition

REBUILDING DPSCD BRICK BY BRICK

FACILITIES & OPERATIONS

FACILITY UPGRADES: BUILDING A BRIGHTER FUTURE

We're excited to share updates on significant facility upgrades that will enhance learning environments across the District.

20-YEAR FACILITY MASTER PLAN (FMP) AND ANCHOR INVESTMENTS

Our 20-Year Facility Master Plan continues to drive improvements. Spring 2024, we broke ground on a Career Technical Education (CTE) Annex for Southeastern High School, set to open in Fall 2025, focusing on advanced manufacturing careers. We are also working on new builds for Pershing, Carstens, Paul Robeson/Malcolm X, Cody, and renovations at Davis Aerospace at Coleman A. Young Airport, with community input and updates scheduled for this fall.

SUMMER 2024 PROJECTS

This summer, construction has been underway at several schools, including Academy of the Americas at Logan, Bates, Burton, Henderson, JR King, and Mann. Projects focus on pavement, HVAC, building automation, electrical updates, exterior improvements, and fencing repairs. As construction begins for the new Paul Robeson/Malcolm X, the school will temporarily move to the former CMA building at 14771 Mansfield Street. Transportation will be provided from the current site for the 2024–2025 school year.

WHAT TO EXPECT FOR 2024-2025

We're excited to share updates on significant facility upgrades that will enhance learning environments across the District.

PRE-KINDERGARTEN EXPANSION

This school year, Pre-K opportunities will expand at Brewer, Burns, Charles Wright, Coleman A. Young, Dossin, Gompers, JR King, Marion Law, Maybury, Ronald Brown, and Thirkell. This investment in early education strengthens feeder patterns for K-12 schools.

ROOFING UPGRADES

Roofing projects will start at Bow, Charles Wright, CMA, Hamilton, Henry Ford, Hutchinson, Nichols, and Western.

FIELD WORK

CMA will get a new athletic field, and Henry Ford will see a new track design.

CAPITAL INVESTMENTS

The capital investments underscore our commitment to enhancing our schools and providing excellent facilities for our students and staff. For construction updates, visit detroit12.org/facilities.

DPSCD COMMUNITY ENGAGEMENT

The Office of Government and Community Affairs (GCA) strengthens public schools through community engagement and legislative advocacy. Detroit schools receive less funding per pupil compared to wealthier areas, including \$2,511 less in unrestricted funds, totaling a difference of over \$125 million.

CELs

GCA monitors, city, state, and federal legislation on issues like equitable school aid, teacher salaries, retirement, mental health support, and education policy. They engage the community by building relationships with local businesses, associations, and nonprofits, and collaborate on outreach efforts.

GCA also recruits and trains Community Engagement Leaders (CELs) to share positive news, promote the district's legislative agenda, and advocate at events and meetings.

For more information on how you can stay engaged and learn more about GCA email communications@detroitk12.org.

**Stay engaged with DPSCD Alumni.

and connect with future alumnus.**

WE ARE HIRING FLEX YOUR SUPERPOWERS!

Join our dedicated team! Explore our available career opportunities and apply today. Whether you're looking for a role supporting students and teachers in schools or a position in central administration, we're here to guide you through the application and hiring process. District benefits include:

COMPETITIVE STARTING SALARIES FOR TEACHERS

- High starting salaries for teachers
- Pension plan option via Michigan Office of Retirement Services
- Healthcare coverage for employees working 30+ hours
- Life insurance provided

EARLY CAREER TEACHER SUPPORT

- **Early Teacher Academy:** Paid summer professional development for new teachers to build skills in a collaborative environment.
- **Mentors:** One-on-one guidance and support for new teachers.
- **Curriculum Lab:** A resource for teachers to prepare instructional materials.

ON THE RISE ACADEMY

- DPSCD's internal Alternative Route to Certification program.
- **Two certification routes:**
 - **Fellow, Aspiring Teacher:** Upper/Lower Elementary, Secondary Math & Science, Cognitive Impairment
 - **Continuing Teacher:** Secondary Math & Science, Cognitive Impairment

PROFESSIONAL GROWTH

- Structured professional development to enhance instruction and advance careers.
- Pathways for development and career advancement to create a well-trained workforce.

Students Rise. We All Rise.

PRINCIPAL SPOTLIGHT

TYRA SMITH BELL

Q: How do you promote good attendance in your school?

A: At our school, attendance is part of our positive Climate and Culture. Every morning, we kick off with our “Attendance Matters” segment during the school-wide Morning Meeting. Our Attendance Agent, DelMarie Smith-Carr, shares the previous day’s attendance using a data bar graph, and students treat it like a fun competition—everyone’s aiming for 90% or higher!

We’ve also made attendance fun with our Race for Attendance board in the hallway. Each homeroom has a racecar that moves based on their weekly attendance, and the winning class gets rewarded. It’s a playful way to encourage teamwork and accountability, and students love cheering on their class!

Teachers stay connected by calling home when students are absent, and parents actually appreciate the check-ins, knowing it’s a chance for us to offer support. Whether it’s transportation or uniforms, we work together to make sure students have what they need to succeed. By creating this collaborative environment, we make attendance something to look forward to, rather than just a requirement.

Q: How do you address attendance barriers with your families?

A: Many of our students dealing with chronic absenteeism live outside our school’s boundaries, so we help them transfer smoothly to a school closer to home when necessary. For our McKinney-Vento families, the Office of Homelessness steps in, providing transportation through Uber or buses. We even have a washer and dryer on campus for cleaning uniforms, as well as plenty of extra uniforms for families facing financial difficulties.

For new students who might feel anxious about starting at a new school, we offer Peer-Buddies to help them get comfortable with the campus and our procedures. In some cases, administrators have even personally picked up or dropped off students to ensure they get to school safely when transportation is an issue.

**WE’VE MADE ATTENDANCE
FUN WITH OUR RACE FOR
ATTENDANCE BOARD IN THE
HALLWAY.**

Q: Can you share a student success story that impacted their academic achievement?

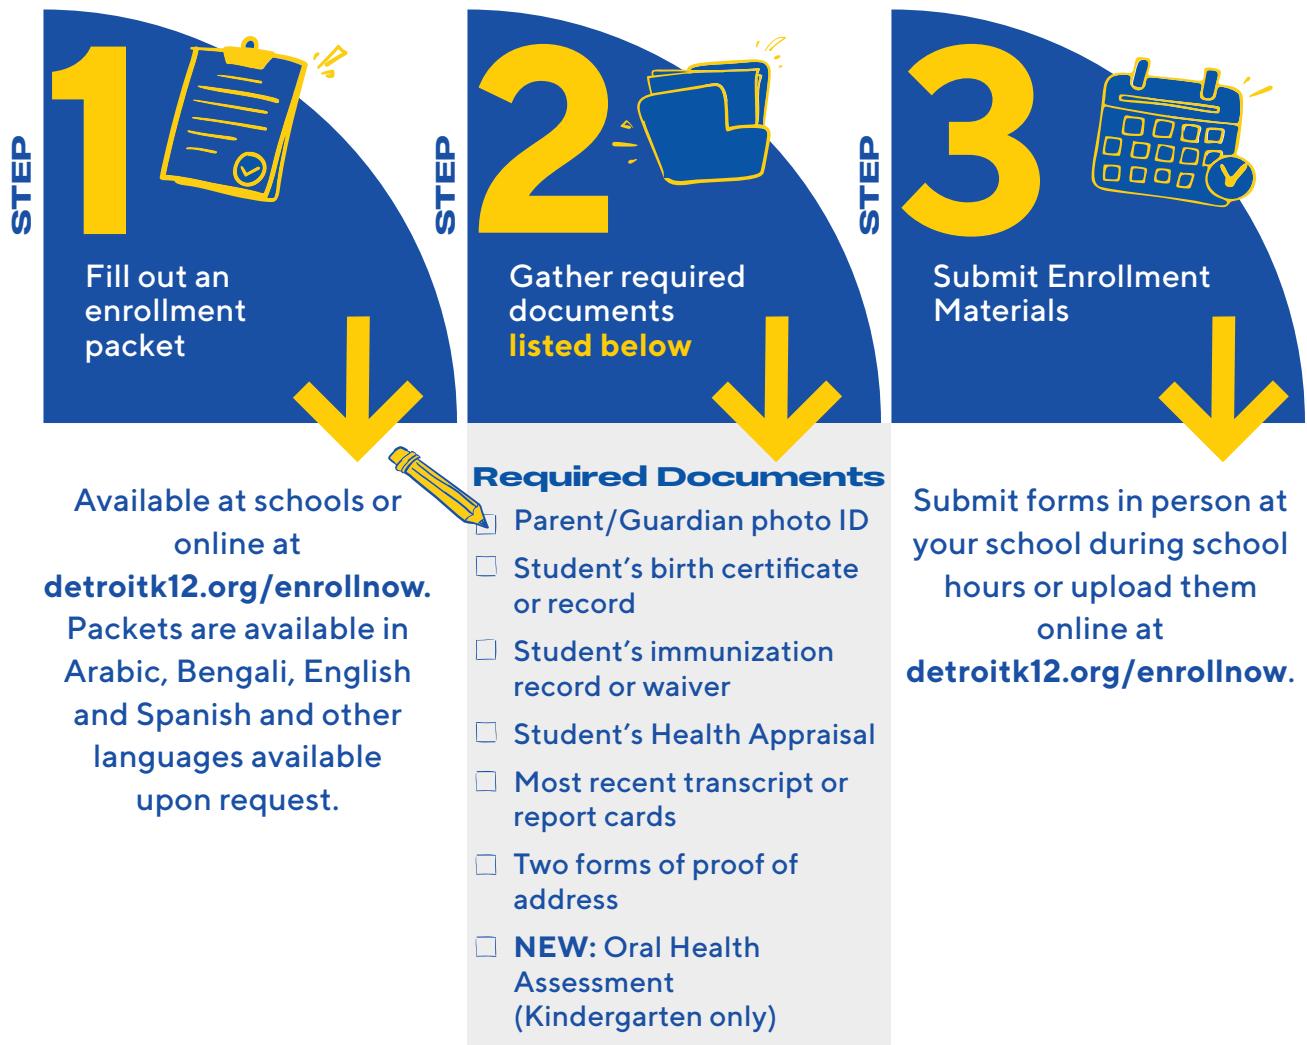

A: One special student has been with us since the 2016–2017 school year and struggled with attendance for quite some time. Last year, as a sixth-grader, he made significant improvements in both attendance and academics. In fifth grade, he was failing several subjects, but by the end of sixth grade, I'm proud to say he didn't receive any failing grades at all!

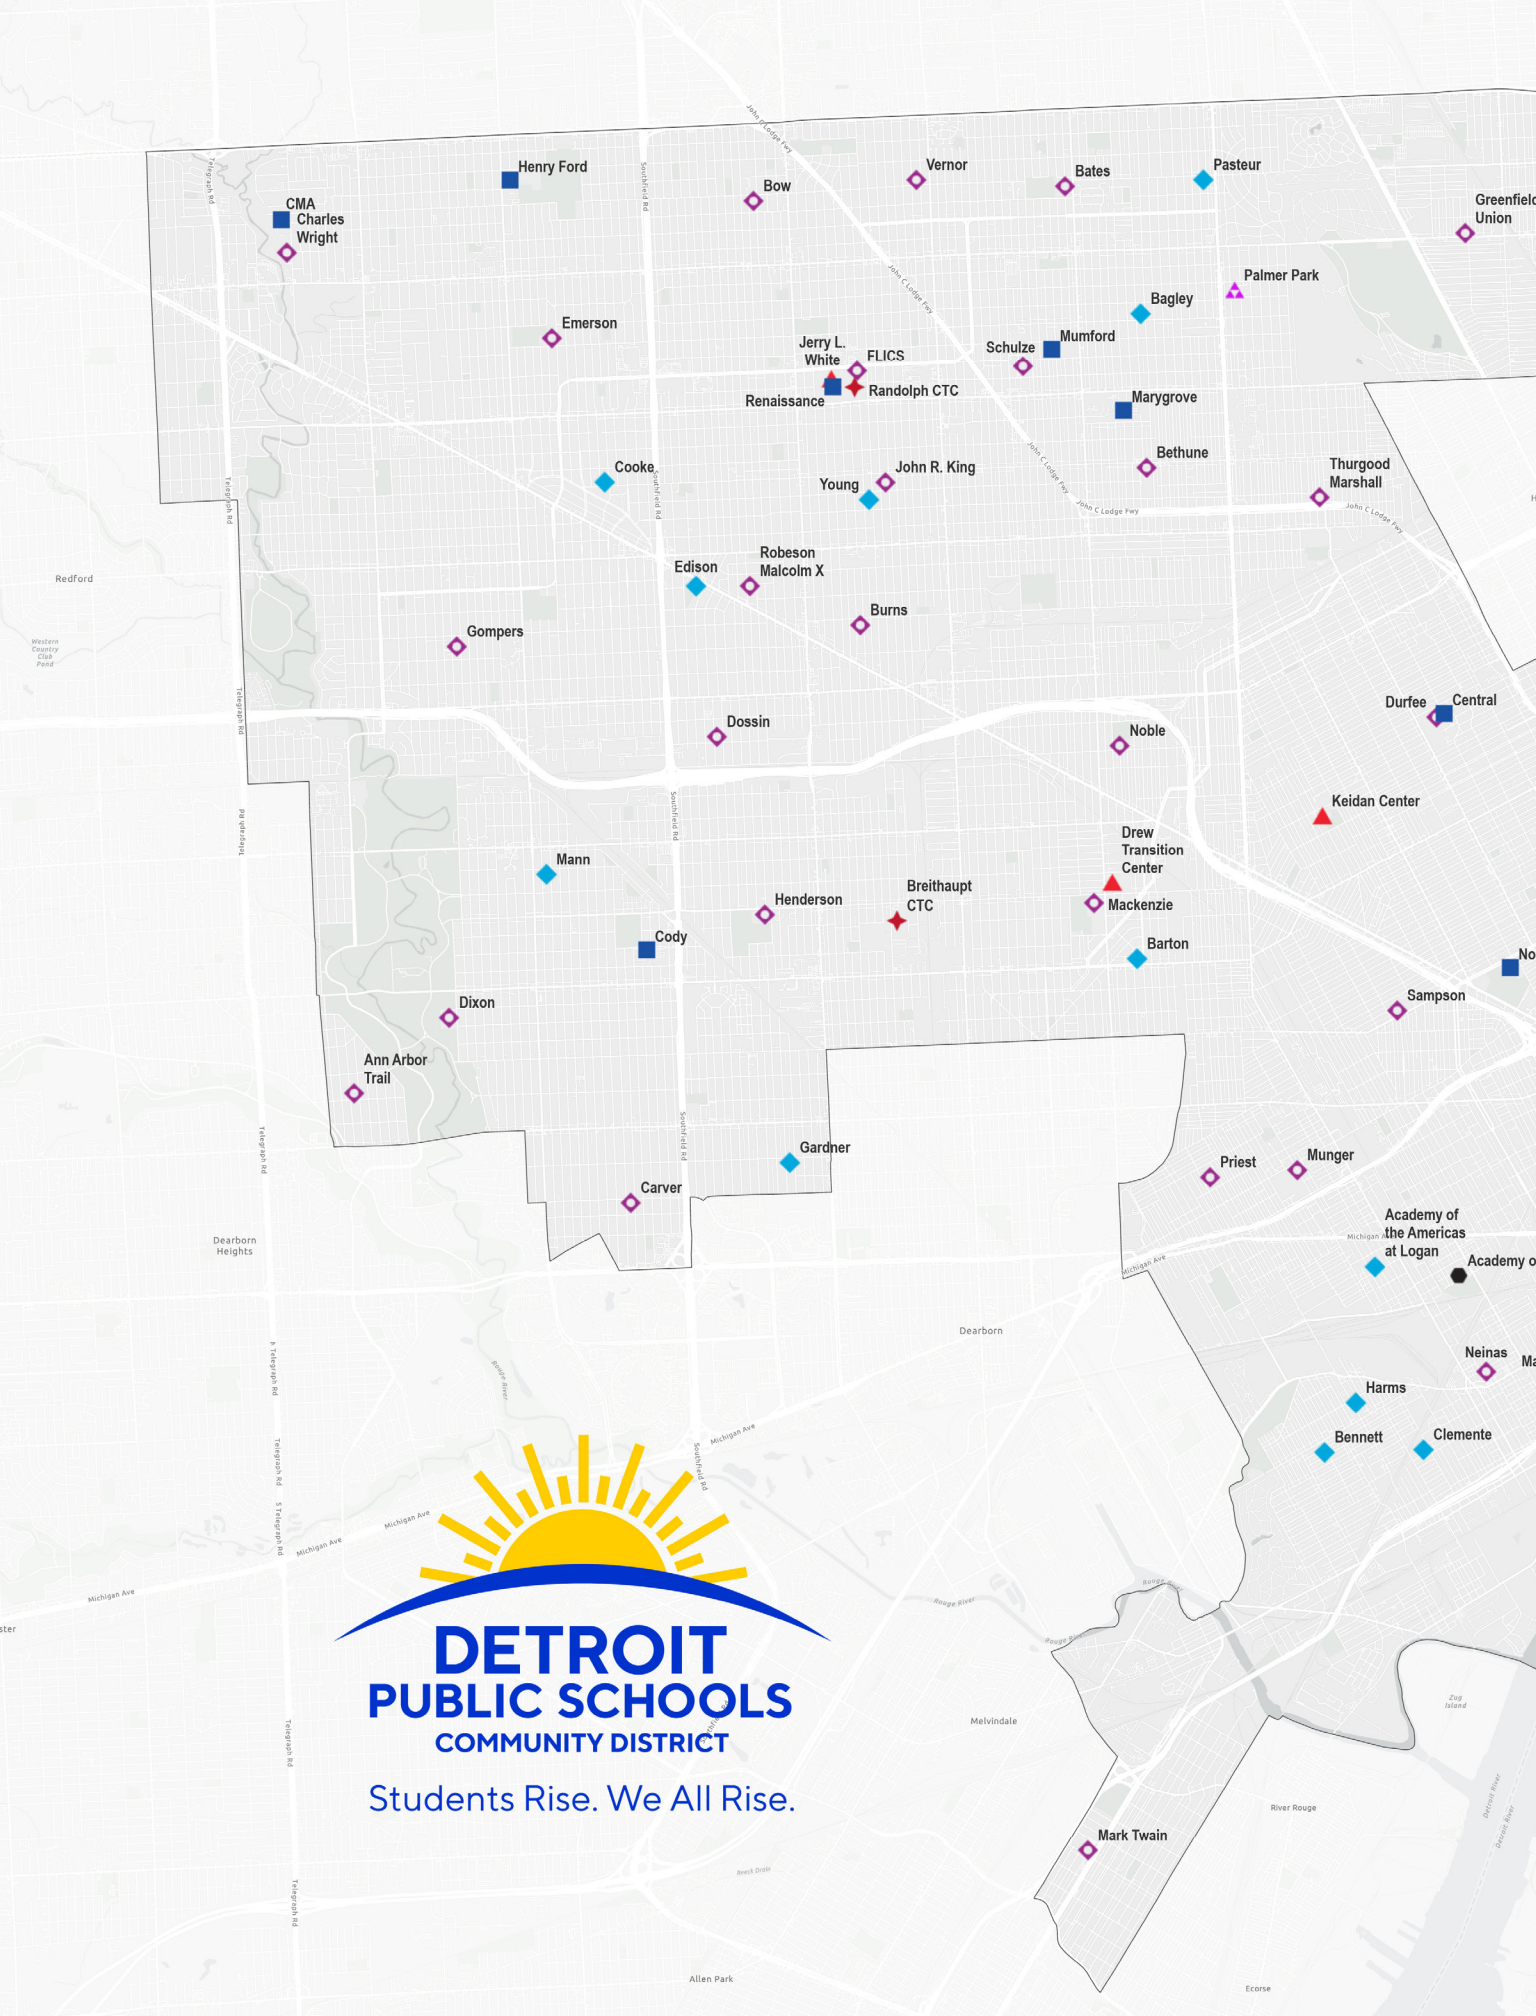

This turnaround came through a strong partnership between the school, the student, and his family. Thanks to his progress, he was able to join both the basketball and track teams, which further boosted his confidence and success.

When students rise, we all rise! Join Detroit Public Schools Community District today.
