Students Rise. We All Rise.
Important Notes

❖ While all work is enrichment, we encourage students to engage daily. This engagement helps them be prepared when they return to school in the fall (or graduate to college or the world of work. – High Schools only)

❖ Student participation will be monitored and captured. This will be done through student logins to the online portal, telephone interactions or communication with parents who verify student engagement.

❖ All resources and current information can be found on the district’s website at www.detroitk12.org/covid19.
## Pre-K-8 School Schedule

(Schools and teachers have options about the schedule. Parents need to know when to login or call, to have live access to the teacher. Please encourage teachers to follow the schedule provided as a school. Please organize this with your team. Review with your parents and place on your school’s webpage.)

High School Schedule

High Schools are encouraged to run their regular schedule, however, as contact times are different for different subjects they need to know what time live instruction will occur and on which days by subject. Who to contact for assistance

School’s web address (verify all staff is listed)

Administrators:
Guidance Counselor:
Etc.

The District also offers to hotlines to offer additional assistance, the Homework Hotline and the Mental Health Support Hotline, both which may be accessed at 1-833-466-3978.
Family Check-Ins

It is our goal that every student is engaged every day, just as they would be if they are in school. They may be attending sessions online or on the phone with their teachers, but an additional staff member will also make contact once or twice a week. This is to ensure are parents have their questions answered, feel supported and are not in need of additional resources the school can provide.

The calls will generally come from a 313 or 248 phone number. The staff member will always identify who they are and their role at the school.
Family Engagement Opportunities

(Include list/dates of online interactions and the login information.)
Closing questions

If you are comfortable here having parents come off mute answer aloud, that would be fastest, otherwise, utilize your screen to show parents where to type in the chat window if they are on a computer.

If they are on a phone, and not on Teams, asking the question off mute is the only option.

We want to ensure the time today was valuable, so please complete our survey at https://bit.ly/DPSCDPM
