# Welcome by the Principal

**Greetings SE Family,**

**During these unprecedented and challenging times please know that we at Southeastern are here for you. I implore us all to adhere to the governmental recommendations of staying home as much as possible, doing our best to wash our hands frequently and if we must venture out, wear a face covering, gloves and keep distances of 6 feet or more from individuals. Together in time we will get through this!! If there is anything that I can do to make these times easier, please reach out to me at the phone number below.**

**Stay Safe!!!!**

**Love and Miss You Much!!!**

# District Grading Highlights for Q3, Q4 and S2

- Students grades will be Pass or Fail (P or F) based on students grades before schools closed March 12<sup>th</sup>
- If your student was passing a course (60% or higher) when schools closed, they will receive a P for passing for quarters 3, 4 and semester 2 and the full graduation credits for that course.

## District Grading Highlights for Q3, Q4 and S2 Cont.

- If your student was not passing a course when schools closed (below 60%) they will receive a F for failing for quarters 3,4 and semester 2 and will not receive credit for the course
- If your child has a failing grade in any course for Q3, they should connect with the teacher of that course to arrange to complete assignments to bring the failing grade to a passing one for Q4 and S2 so that they will receive credit and will not have to repeat that course.
- P/F Grades have no impact on Grade Point Averages (GPA)

# Design Principles

Students Rise. We All Rise.

**The District has developed resources for K-12 Literacy that include daily lesson plans, daily direct instruction videos and a daily assignment for students to complete. These tools were developed to serve three groups of students:**

**First, students that do not have access to technology and will be using the paper packets,**

**Second, students that have cell phone access to technology and can watch videos on YouTube and**

**Lastly, students that have both internet access and a device at home and can participate in virtual learning.**

**We have considered all students and families, regardless of their current circumstances.**

**Students Rise. We All Rise.**

## Important Notes

- ❖ While all work is enrichment, we encourage students to engage daily. This engagement will help them be prepared when they return to school in the fall.
- ❖ Student participation will be monitored and captured. This will be done through student logins to the online portal, telephone interactions or communication with parents who verify student engagement.
- ❖ All resources and current information can be found on the district's website at [www.detroitk12.org/covid19](http://www.detroitk12.org/covid19).

# Family Check-Ins

It is our goal that every student is engaged every day, just as they would be if they are in school. They may be attending sessions online or on the phone with their teachers, but an additional staff member will also make contact once or twice a week. This is to ensure parents have their questions answered, feel supported and are not in need of additional resources the school can provide.

The calls will generally come from a 313 or 248 phone number. The staff member will always identify who they are and their role at the school.

# Class of 2020 Senior Specific FAQs

Students Rise. We All Rise.

Question: I am a senior; how will I know if I will graduate at the end of the year?

Answer: If you were on a path to graduate at the end of the year, and you were passing all of your 3<sup>rd</sup> quarter classes (D- or higher) then you will graduate this year. Each high school will be reaching out to their seniors to clearly communicate where seniors stand with graduation.

Question: I am a senior and I need to take additional classes to graduate. Will I have an opportunity to take these classes?

Answer: Yes. Students who need additional classes will be enrolled in up to three recovery courses. Once students earn enough credit to receive a passing grade in the class, then they will receive the credit. Summer school may also be an opportunity to make up credits (face to face and/or online) based on the health status of the crisis.

Students Rise. We All Rise.

Question Will seniors still graduate in June and receive their diplomas? Will there be graduation ceremonies?

Answer: Yes. Eligible students will still graduate in June and diplomas will be received by the end of July. We are also open to a graduation ceremony once the “stay at home” order is lifted, hopefully this can happen in late June or early July. If this is possible, all graduation celebrations will be held at the high school or an alternate district high school. There should be no expectation that the ceremony will take place where it was originally scheduled to take place due to challenges with reservations and site availability.

Students Rise. We All Rise.

Question: What is the status of prom?

Answer: Currently all proms are canceled. We are open to proms once the stay at home order is lifted, hopefully this can happen in late June or early July. If this is possible, all proms will be held at the high school. No prom will be held at the original planned prom location.

Question: I paid senior dues, will we get our money back and when?

Answer: Yes. Funds will be returned to students/parents for graduation activities once the stay at home order is lifted and school staff returns to work to process refunds. The district will cover any, and all, graduation ceremony and/or prom expenses.
