“If you are looking for a savior take a look in the mirror”  
-MLKIII at March on Washington 2020

I am an advocate for students. I am here to be of service and be the Harriet Tubman that helps lead students to the Promised Land of their futures. I ask that all remember that I am a person too and are respectful of me, my system and my resources.

“...It’s not choosing the ‘right’ path that matters. It’s knowing what ignites your passion. Once you’ve figured out what brings you joy, you don’t have to worry about finding the right path. Any path—any path—will take you there.”  
- Panera Founder / CEO Ron Shaich

And once the storm is over, you won’t remember how you made it through, how you managed to survive. You won’t even be sure, if the storm is really over. But one thing is certain... When you come out of the storm, you won’t be the same person who walked in. That’s what this storm is all about.

UNDERSTANDING WHY FRESHMAN YEAR MATTERS: THE TRANSCRIPT

- A transcript is YOUR body of work that is a **PERMANENT** record
- It captures your academic performance for 2nd & 4th cardmarking of **EVERY** grade level from 9-12 grades
- Q1+Q2=S1 & Q3+Q4=S2
- Middle school performance **IS NOT** relevant unless you were awarded credit for Algebra or World Language
- The year you begin high school + four years= your projected graduation year
- Graduating early is not a common practice and moving ahead does not happen in high school
- The transcript is a **REQUIREMENT** for **POST-SECONDARY ADMISSIONS!!!!**

- Senior standing is 18+ credits
- AT SE students earn 7.0+ credits a year
- Credits are transcribed every 2nd and 4th card marking
- *Every course than earns an “F” for the semester must be re-taken for credit
- Students who earn 23+ credits in the courses as outlined in high school curriculum requirements will become candidates for graduation
World Language is a 2.0 credit graduation requirement
- There are (3) ways in which to obtain credits
- There is no substitution for 1.0 credit of a language
- Credit recovery for WL can be challenging
- Please use resources to assist with understanding the content

Edgenuity & Summer School (Credit Recovery)
https://www.edgenuity.com/

DPSCD will honor credits earned via Edgenuity for recovery purposes only. Students who are deficient credits must recover credits in order to become a candidate for graduation. Students currently enrolled must complete coursework successfully in order to recover credits. Students with severely deficient credits will be provided with an alternative plan.

- Students in grades 10-12 who have failed a core content course are eligible to make up those credits through credit recovery coursework.
- Credit recovery will begin after the first 3 weeks of school and will go until 1.5 weeks before the school year ends. For the 2020-2021 school year, that window is September 28, 2020 - June 4, 2021. Ninth graders in need of recovery will be recommended for summer school.
- In nearly all cases, students will be enrolled in only one credit recovery course at a time.
- Students will be given specific deadlines in which to complete coursework for each quarter.

DID YOU KNOW?
1. Your “body of work” or transcript reflects your academic history for four years. Colleges have their admissions officers or academic staff who review completed courses. (Commons)
2. Standardized test scores (SAT/ACT) are part of the application process. (Commons)
3. “G” rated rated a “4” is “Amazing” and “F” rated rated a “7” is “Passable.” For students performance will affect options and opportunities.
4. A 4.0 is the “ideal” but most importantly is to understand the concepts presented in your courses. Read your textbook and complete your work at home.
5. Where do I start? Ask you teacher or your counselor. Identify your strengths and weaknesses.
6. District Goal for 2022 is to graduate 95% of students.
