"If you are looking for a savior take a look in the mirror"
-MLKIII at March on Washington 2020

I am an advocate for students. I am here to be of service and be the Harriet Tubman that helps lead students to the Promised Land of their futures. I ask that all remember that I am a person too and are respectful of me, my system and my resources.
ABOUT YOUR COUNSELOR...

There are many things in life that will be beyond your control. In these instances, it will ultimately be about your response. There will always be a lesson and you will always have a choice in how you respond.

And once the storm is over, you won’t remember how you made it through, how you managed to survive. You won’t even be sure, if the storm is really over. But one thing is certain... When you come out of the storm, you won’t be the same person who walked in. That’s what this storm is all about.

- Haruki Murakami
Mindset & Coping Activities

Daily Quarantine Questions:

1. What am I GRATEFUL for today?
2. Who am I CHECKING IN on or CONNECTING with today?
3. What expectations of normal am I LETTING GO OF today?
4. How am I GETTING OUTSIDE today?
5. How am I MOVING MY BODY today?
6. What BEAUTY am I either creating, cultivating, or inviting in today?
Important Things To Remember

- **Your Health** (mental & physical) will ALWAYS be the most important thing. *[If you aren’t at your best you can’t give your best]*
- **Prioritize** [Remember what it most essential]*
- **Manage Your Time** [Time only moves forward so make the best use of it]*
- **Set Goals** [What is it that your are trying to accomplish? Create steps to work towards that]*
- **Access Resources** [You have the world at your fingertips…seek information for better understanding] [GOOGLE, YOU TUBE, E-Libraries!!!]*
- **Communicate** [Always ask for insight, additional assistance, additional resources, requesting help is never a sign of weakness]*
- **Follow Up & Through** [Do what is asked to complete a task, complete each step until a task is complete, submit the task upon completion]*
- **Discover Your Passion** [It is the thing that you would do and wouldn’t mind not getting paid for….find it and let it motivate you]*
- **Support System** [Everyone needs someone. Remember that you always have people who will support you and keep you lifted. Seek them out.]
12 KEY QUALITIES TO BECOMING A SUCCESSFUL PERSON

Good people seek out opportunities...great people use those opportunities to create their own. These are the qualities that will be promoted as essential components of college & career readiness.

**GREAT PEOPLE ARE...**

ACCOUNTABLE  DEPENDABLE
RESPONSIBLE  EFFICIENT
HONEST  COOPERATIVE
FLEXIBLE  AMBITIOUS
COMMUNICABLE  COMPASSIONATE
HUMBLE  RESILIENT
METHODS OF COMMUNICATION

In preparation for the next phase (post secondary) you will need to become familiar with checking e-mail and other communication tools regularly. This is especially essential in a COVID world. Emails need to be professional in nature. Please remember to begin with a greeting & end with a “Thank You”. (Ex: Good Morning, Hi, Ms. M. etc.)

OCLEX (Out-of-Class Learning Experience)

- Students must complete 200 OCLEX hours which equate to 1.0 credit in order to become a candidate for graduation
- A link to a google doc will be provided
- Students will need to provide the type of learning experience (work, volunteer, community service, service project), the specific name of the activity, hours earned and the name & title of the person supervising the activity
COVID-19 Transcription Changes

- Normally colleges will evaluate and make admissions decisions based upon SIX semesters
- The FOURTH semester for the 19-20 school year consisted of Ps & Fs
- GPAs will remained unchanged as of the 4th semester
- College admissions decisions for Fall 2022 will differ depending on the institution but will be based on a GPA for FIVE semesters
- This year will be crucial because colleges need to be able to make an admissions decision based upon PROGRESSION
- The academic marks given for the 20-21 school year will consist of letter grades
- Please be mindful of the criteria for completion and grading scale for each course
Edgenuity & Summer School
(Credit Recovery)
https://www.edgenuity.com/

DPSCD will honor credits earned via Edgenuity for recovery purposes only. Students who are deficient credits must recover credits in order to become a candidate for graduation. Students currently enrolled must complete coursework successfully in order to recover credits. Students with severely deficient credits will be provided with an alternative plan.

- Students in grades 9-12 who have failed a core content course are eligible to make up those credits through credit recovery coursework.
- Credit recovery will begin after the first 3 weeks of school and will go until 1.5 weeks before the school year ends. For the 2020-2021 school year, that window is September 28, 2020 - June 4, 2021.
- In nearly all cases, students will be enrolled in only one credit recovery course at a time.
- Students will be given specific deadlines in which to complete coursework for each quarter.

SAT (THE STATE TEST)

You're On Your Way

One of our biggest goals in changing the SAT was to make sure it's highly relevant to your future success. The new test is more focused on the skills and knowledge at the heart of education. It measures:

- What you learn in high school
- What you need to succeed in college

If you think the key to a high score is memorizing words and facts you’ll never use in the real world, think again. You don’t have to discover secret tricks or cram the night before.

The same habits and choices that lead to success in school will help you get ready for the SAT. The best way to prepare for the test is to:

- Take challenging courses.
- Do your homework.
- Prepare for tests and quizzes.
- Ask and answer lots of questions.

In short, take charge of your education and learn as much as you can.

And One More Thing

Know what to expect.

Score Structure

- Total score: 400–1600
- Evidence-Based Reading and Writing Section: 200–800
- Math Section: 200–800
- SAT Essay: Three scores ranging from 2–8

Take a closer look at the SAT score structure.

Putting Your SAT Scores in Perspective

Your score report provides a lot of feedback, and it might be hard to know where to start. Mean scores, percentiles, and benchmarks—described below—can help you put your scores in perspective. Subscores and cross-test scores can help you identify strengths and weaknesses and see what skills need more practice. But your score report won’t tell you if you passed because there’s no such thing as a passing score.

### Advanced Placement Tests (AP)

- **Dates:** [Click here for calendar](#)
- **Exam Locations:** AP Exams are administered at many high schools and at exam centers. Ask a teacher or school counselor if your school administers AP Exams.
- **Exam Scoring:** AP Exams are created and scored by teams of AP teachers and college professors.
- **Benefits of Taking the Exams:** Most U.S. colleges grant credit, advanced placement, or both for qualifying AP scores.

### ASVAB (Armed Services Vocational Aptitude Battery)

ASVAB stands for the armed services vocational aptitude battery, which is a multiple-choice test that helps you identify which Army job (Military Occupational Specialty) would be best for you. Listed below are the parts of the ASVAB that affect your ACT test scores and each of the test subscores.

Testing Updates

When will you test since you couldn’t in April? October 2020

There will also be tests every month from August 2020 -December 2021 that you can register for on your own... ASK ABOUT WAIVERS

What should you be doing between now and then? Budgeting time to stay fresh on SAT test materials, strategies, etc., a.k.a taking the time to study, especially when it gets closer.

Colleges understand what you’re going through, but how much they understand does (and will) depend on the college... Some schools are STILL CONSIDERING waiving the SAT or going test-optional because of the circumstances, but there is no guarantee AND not every school will do it anyway.

TEST OPTIONAL DOES NOT MEAN NO TEST SCORES; IT MEANS NO TEST SCORES ONLY IF YOU HAVE A HIGH ENOUGH GPA!

Article Link:
THE IMPACT OF COVID-19 & COLLEGE ADMISSIONS

Key Points:
❖ 1. Dozens of colleges have already announced that they are waiving the SAT and ACT (or going test-optional) for the Class of 2021.
❖ 2. The importance of Subject Tests, AP scores, and IB scores is waning.
❖ 3. Some colleges are offering virtual opportunities from information sessions to Zoom "chats" with admissions officers.
❖ 4. The students with creativity and ingenuity will be the big winners this summer.
❖ 5. Grades (or a lack thereof) for the end of the school year will be viewed with an asterisk
