## **OUR MISSION STATEMENT:**

**EDUCATE & EMPOWER  
EVERY STUDENT IN EVERY  
COMMUNITY EVERY DAY TO  
BUILD A STRONGER DETROIT**

# OUR CORE VALUES:

## ■ **STUDENTS FIRST**

Make decisions that are in the best interest of students. Use every resource strategically so that we can meet students' individual needs.

## ■ **EXCELLENCE**

Be relentless in your pursuit of greatness. Be bold and innovate. Learn from your mistakes. Hold yourself and others to high standards.

## ■ **INTEGRITY**

Do the right thing, even when no one is looking. Be honest. Be trustworthy. Be accountable.

## ■ **EQUITY**

Diversity is an asset that makes us stronger. Advocate for the needs of others. Ensure that all members of our community have access to the tools and resources they need to be successful.

## ■ **SERVICE**

Listen. Empathize. Respond. Own problems and help to solve them.

## ■ **TENACITY**

Embrace hard work and persevere in the face of challenges. Follow through on your commitments and strive to do your best, no matter what.

# BUILDING POSITIVE CULTURE AT HOME

## **EXPECT RESPECT**

The goal of Expect Respect is to create a positive climate and culture through the expectation that we treat each other with kindness, understanding, and respect one another's differences. **CHARACTER TRAITS:** Responsibility, Respect, Kindness, Generosity, Citizenship, Self-Control, Honesty, Compassion, Cooperation, Acceptance

### **TIPS FOR PARENTS:**

- Respect each other, including each other's space and belongings
- Listen to each other and learn how to work out problems without confrontation
- Spend time together as a family and celebrate each other's successes and support each other through the sad times.

## **MENTORING PROGRAMS**

Mentoring relationships exists between one individual in need of guidance and another individual who is both capable and willing to provide that guidance. The goal of this relationship is to help the student in his/her personal development.

### **TIPS FOR PARENTS:**

- Share with your child how mentors/role models have impacted your life, including the successes and challenges you experienced.
- Identify objectives for the mentoring relationship, such as participating in activities that help expose your child to new things and places.
- Assist your child in researching potential mentors that share your child's interests or could serve as a source of inspiration.

# BUILDING POSITIVE CULTURE AT HOME

## MINDFULNESS

Mindfulness is a mental state achieved by focusing one's awareness on the present moment, while calmly acknowledging and accepting one's feelings and thoughts.

### TIPS FOR PARENTS:

- Practice deep breathing techniques. This can be done by taking 5 deep breaths slowly in through your nose and out through your mouth. Allow your child to take breaks periodically to refocus.
- Set aside time when the family can disconnect from the outside world (no cellphones) and relax.
- Modeling self-care for your child is crucial. Take time for yourself and allow your child to do the same. You can do things such as taking a bubble bath, going for a walk, or meditating.

## Positive Behavior Interventions and Supports (PBIS)

PBIS provides a safe school environment; builds positive relationships; celebrates favorable behavior; and addresses the academic and social emotional needs of students.

### TIPS FOR PARENTS:

- Establish clear expectations at home. Keep your "house rules" similar to school expectations. The key is to be fair and age appropriate when you reinforce the expectations.
- Create routines for your family. Organize the day so your child knows what is happening. Be clear about changes or new events. Give your child a helpful transition warning to let them know what is coming next.
- Communicate clearly what behavior you want your child to demonstrate. Phrase directions in the positive, telling your child what you want them to do, not what you don't want them to.

## SOCIAL EMOTIONAL LEARNING (SEL)

SEL is a process used to understand and manage emotions; set and achieve positive goals; feel and show empathy for others; establish and maintain positive relationships; and make responsible decisions.

The five core competencies associated with Social Emotional Learning: Self-Awareness, Self-Management, Social Awareness, Relationship Skills, Responsible Decision Making.

### TIPS FOR PARENTS:

- Acknowledge your child's fears, emotions, and thoughts by asking about them and listening to their response.
- Nurture your child's self-esteem through praise, compliments, and celebrations.
- Help your child understand that problem solving and trying their best helps develop their skills and personal growth.

## INTENTIONAL FUTURE

PRESENTED BY: DEPARTMENT OF CURRICULUM AND INSTRUCTION

This session will prepare 8th through 11th grade students and their parents with a blueprint to preparing for college, trade school, certification programs or the world of work. An early start to planning for the future removes the stress of last-minute scrambling for options as graduation from high school approaches. Parents will engage in conversation that helps them gauge the right moves for their own child/family. The district recognizes that all students may not desire to go to college right after high school and understanding viable options for success is better when we prepare for the future.

## SAT PREP FOR SOPHOMORES & JUNIORS

PRESENTED BY: DEPARTMENT OF CURRICULUM AND INSTRUCTION

This session will help students and parents prepare for the SAT exam. The SAT is the primary exam that is used to determine if students are college and career ready. Participants will learn how to study for the exam, how to decide if a 2-year, 4-year, trade school or certification program is best for the student and family. All 11th grade students are required to take the SAT exam as a metric for high school performance. It is critical for all students to sit for the exam and do their best, so schools know what areas they need to improve their instructional practices and preparation in student learning. Regardless of what students and families choose for as a path to future success, we want students to be well positioned to achieve their goals.

### **INTENTIONAL FUTURE** **PRESENTED BY: DEPARTMENT OF CURRICULUM AND INSTRUCTION**

This session will prepare 8th through 11th grade students and their parents with a blueprint to preparing for college, trade school, certification programs or the world of work. An early start to planning for the future removes the stress of last-minute scrambling for options as graduation from high school approaches. Parents will engage in conversation that helps them gauge the right moves for their own child/family. The district recognizes that all students may not desire to go to college right after high school and understanding viable options for success is better when we prepare for the future.

## SAT PREP FOR SOPHOMORES & JUNIORS

**PRESENTED BY: DEPARTMENT OF CURRICULUM AND INSTRUCTION**

This session will help students and parents prepare for the SAT exam. The SAT is the primary exam that is used to determine if students are college and career ready. Participants will learn how to study for the exam, how to decide if a 2-year, 4-year, trade school or certification program is best for the student and family. All 11th grade students are required to take the SAT exam as a metric for high school performance. It is critical for all students to sit for the exam and do their best, so schools know what areas they need to improve their instructional practices and preparation in student learning. Regardless of what students and families choose for as a

path to future success, we want students to be well positioned to achieve their goals.
