A NOTE FROM PRINCIPAL REEVES

We are excited about the activities, events and programs that will occur at Palmer Park this month. All students will first begin by taking their I-Ready Mid-Year assessment in Reading and Math from December 4-December 18, 2024. We encourage all students to do their best, and we know that all can reach their Typical and Stretch Growth. Teachers have been preparing their students through the delivery of excellent instruction and Data Chats. Once testing has concluded, students will have an opportunity to participate in a multitude of activities, Winter Pancake Breakfast, Montessori Experience, Attendance Homeroom Challenge Traditional Top Tier Experience. We are also excited to present our 2nd Winter Concert led by Mr. J. Williams, Dance Instructor on Thursday, December 19, 2024, from 5:30 - 6:30 PM. More information will be forthcoming.

As a gentle reminder, parents if you would like to schedule a conference with a teacher, support staff or administrator, please contact us. We encourage you to visit our school's website at detroitk12.org/palmerpark where our school staff's email information is located, and in the teacher's welcome letter or syllabus. However, if you can't locate it, please contact the school and we will assist you. Additionally, if you need to pick up your child/children early and prior to 3:30 PM, please contact the main office or your child's teacher so we can prepare for your arrival. After 3:30 PM, Leadership is preparing for dismissal at multiple doors throughout the campus, and our priority is to dismiss all students safely.

December is a special time of year, and on behalf of our entire P3A Team, we would like to say Thank you and we are Grateful for all our students, staff, families and Palmer Park community.

SCHOOL HIGHLIGHT - P3A ROBOTICS TEAM

Congratulations to the P3A RoboTechs 13999 FTC team (6th and 7th graders) led by Ms. Jachim and Nathan Lick for qualifying to attend the MI-SE State Championships! The competition will be at Macomb Community College on Saturday, December 7th and Sunday, December 8th. Come watch some of the fun with the matches starting before noon and lasting the rest of Saturday until the evening and Sunday. Look for the P3A teal shirts.

All of our robotics teams have been working so hard this year and their accomplishments are paying off! Huge thanks to Ms. Jachim and Nathan Lick, all the parents and volunteers, and the students for giving it their all!
