Greetings Huskies Families,

We recently celebrated the accomplishments of our students and staff during the Quarter 2/Semester 1 Town Hall. Students were celebrated for their academic achievements and attendance as well as their demonstration of our core values of perseverance, cooperation, integrity, empathy, craftsmanship and social responsibility. Staff, too, were recognized for attendance and our core values, as selected by students. It is extremely heartwarming that in this most difficult time as a nation and school, the spirit of community is thriving at TSM. Despite being in a virtual learning mode, we have successfully built strong, positive bonds and remain true to who we are as a family. This commitment to the #MarygroveWay will sustain us in the coming semester, and until we can finally gather in our physical space.

As a reminder, we will reopen the Learning Center on Wednesday, February 24. Please contact the Main Office staff, gayle.baxter@detroitk12.org or melissa.tipton@detroitk12.org, to rsvp your student to attend. We have plenty of space and would love to provide a supervised, structured and safe environment for them; and we’d love to see them!

In partnership,
Ms. White
WE made it to the second semester! TSM Community, give yourselves a pat on the back. There has been a lot of hard work put in from all stakeholders and it doesn't go unnoticed. This has not been an easy time for all of us, but we continue to push forward to the end. This is the perfect opportunity to seize the moment. Use this opportunity to learn from what worked well and what didn’t work well. TSM Core Values Craftsmanship and Perseverance are values to lean on when creating and setting goals for second semester. Helpful hints to set intentional goals and intentional study skills are the following:

- Set a **goal** –ex. I will increase or decrease...
- Write down your goals: Set **reminders** for you to review.
- Identify a day to **check in** on your goals.
- Identify resources or people to **support** you.
- Find a quiet place to study.
- Use your DPSCD **planner** to track projects, assignments, tests, key dates.
- Commit to a **routine** –ex. Preview, Question, Read, Write...
- **Take notes**: Listen for vocabulary words, define, ask questions, compare notes with peers, use symbols to recognize words or terms.
- **Visualize**: When you are reading, picture the story in your mind to help you draw meaning from what you read.
- Reward and relax: When you have reached a goal celebrate and use downtime to **relax**.
