Dear Parents and Students:

Welcome to the 20/21 school year. Please be advised we are starting school on the virtual platform. We truly miss seeing our students smiling faces and all the excitement that comes with the start of a new school year. The Staff of East English Village is committed to providing the best education possible in this virtual space. Each teacher will conduct and maintain a highly engaged classroom while using technology to move learning forward. All students will follow their schedule with built in times for lunch and brain breaks.

We will also maintain a Learning Center for those students who may need additional support or assistance. Any student who utilize the learning center must follow all school expectations and safety guidelines. The Learning Center will be open during regular school hours.

Students can check PowerSchool to review their schedule. If they have questions or concerns, they should email their counselor.
