Design Principles

Students Rise. We All Rise.

Important Notes

- ❖ While all work is enrichment, we encourage students to engage daily. This engagement will help them be prepared when they return to school in the fall
- ❖ Student participation will be monitored and captured. This will be done through student logins to the online portal, telephone interactions or communication with parents who verify student engagement.
- ❖ All resources and current information can be found on the district's website at www.detroitk12.org/covid19.
- ❖ Hard copies of resources can also be picked up beginning April 22nd. This is highly encouraged!

I-READY

- Scholars are still expected to log into IREADY60 minutes per week and pass assessments with 75-80% mastery.

Participation Policy

Participation is noted twice a week in PowerSchool
Tuesday: (Saturday to Tuesday) and Friday : (Wednesday to Friday)

How are you counted?

1. Attend a virtual lesson with teacher
2. Attend a phone conference with a staff member
3. Participate with a homework packet

Participation is confirmed if the parent notifies the teacher that they are attempting to participate but have circumstances that are hindering their participation such as: family emergencies, illness, lack of resources (electricity, water, internet, transportation, child care, homelessness, or other situations that would also impact student learning in face-to-face education). These situations require principals and other campus staff to contact parents and provide support.

“Although attendance is not mandatory, your child’s education is”

Grades

- Grades are due by April 20, 2020
- All students receive a Pass Grade (P) if they were passing by March 12, 2020.
- If teachers feel the scholars could pass if they were still in school, you may use your discretion and give a P.
- All students failing your class will have the opportunity to pass during the online process.
- The March 12, grade will be given as the Semester grade and Quarter3/Quarter 4 grade.
- All assignments are for enrichment and recovery and not for penalization.

Tell an Adult. If something makes you uncomfortable, or if you are feeling bullied online, tell an adult you trust.

Save the Receipts. Take screenshots of any offending messages.

Students have a right to be free from bullying, cyberbullying and harassment of any kind. Cyberbullying is against the law, and can result in serious consequences. See Michigan Public Act 457, Section 411(a).

Family Check-Ins

It is our goal that every student is engaged every day, just as they would be if they are in school. They may be attending sessions online or on the phone with their teachers, but an additional staff member will also make contact once or twice a week. This is to ensure parents have their questions answered, feel supported and are not in need of additional resources the school can provide.

The calls will generally come from a 313 or 248 phone number. The staff member will always identify who they are and their role at the school.
