Count Day 2.9

Career Day 2.10

Lip It Up 2.14

Black History Month Concert TBD

Family Survey Opens 3.14

Principal Stroughter's Corner

I am so ready to have students in the building. This is a long-awaited moment for the administrative team as we prepare to welcome everyone back to in person learning.

As a reminder, students should be in class on time each day by 8am. Students should have on masks covering their nose and mouth unless they are in the Phoenix Café for lunch. Students should be in dress code and ready to learn as we end Semester 1 in prepare to move into Semester 2 this week.

The district has extended Semester 1 to allow for students to end the semester in person. Guidance has been sent to teachers in order to close out the semester in a professional, fair manner. Please be sure to verify grades, attendance and assignments in PowerSchool.

Looking forward to celebrating Black History Month! Stay tuned for announcements on what is to come!

Weekly Masks Distribution

The district will supply weekly KN95 masks for all students and staff. Students will receive their masks each week during their science class. Only one mask will be provided to each student each week. The durability of these masks will last for one week, therefore for ultimate protection, students should wear the mask provided in school each day. If it is lost, you must have your own mask until a new one is issued.

Please note, to enter the building students must have on a mask and check their temperature at the door. If students are feeling ill, we are asking them to stay home and be sure to get tested prior to their return.

Weekly Covid testing will begin on Monday. Since all students will be testing, we will test through departments each week. The first week we will begin with ELA classes. If students are absent on Mondays, they will be able to test on Wednesday.

After School Tutoring

- Monday – Thursday, 3:30pm – 5:30pm
- Saturday School 8:30am – 12:30pm
- Teachers available for ELA, Math, Science, Social Studies
- Students on academic probation & those with attendance make up time must report.
- Students reporting to tutoring must be in the room and out of the hallway by 3:30pm.

Return to In Person #TheRiseContinues

After a long pause to being in person, we are back! Students and staff should prepare their hearts and minds to remaining in person for the remainder of the school year. Our Covid protocols and updates on the quarantine and isolation policy allows for a better chance that we will not be called off school any longer. Please see emails from Dr. Vitti which highlight the updated protocols and safety guidelines, and more.

The district would like to use the hashtag, #TheRiseContinues to celebrate the return to school. Join in on the fun and post your return to school photos!
