This is the season for student illnesses: Please look over your children for the following before sending to school: Runny noses, excessive coughing and sneezing, nausea or vomiting, high fevers. Students are arriving to school sick and must be picked up after receiving services from the nurse. Please reiterate to children to wash their hands and cover their mouths when coughing or sneezing. Students are also running to the nurse several times a day for non-emergencies; please speak with them regarding this.

Uniforms are Navy or Black slacks with White, Light Blue or Navy Blue collared shirts. KHAKI is not a part of the uniform. Fridays we wear Eddie Gear. It can be purchased here:
