

GET READY FOR FALL 2021!

Wayne Health & DPSCD Immunization Clinic Days

All DPSCD Kindergarten, 7th grade and new students to the District must be up to date on immunizations prior to attending school. Detroit Public Schools Community District is partnering with Wayne Health to provide all immunizations (excluding Covid-19 vaccinations) for children in preparation for Fall 2021. The events are also open to DPSCD students who may be overdue for specific immunizations.

Families should register in advance to reserve an appointment. The registration survey linked below, includes a consent form that all families must print and complete prior to the appointment. Copies of the consent form will also be provided at the clinic to complete.
