

51st Annual An Evening of Fine Arts

You Are Invited!

As a result of COVID-19 restrictions, Detroit Public Schools Community District (DPSCD) is partnering with Detroit Public Television (DPTV) and the City of Detroit's Office of Arts, Culture and Entrepreneurship to present the 51st Annual 'An Evening of Fine Arts' as a virtual concert. This event highlights and represents the best of the District's fine and performing arts for the current school year.

Viewers will have a front row seat to witness the talents and accomplishments of some of DPSCD's most outstanding visual and performing student artists. This event displays the tremendous development of student talent - discovered, nurtured and developed - within DPSCD. The premiere will be streamed on DPTV's website and its Detroit Performs Facebook page.
