Dear Ms. Leath,

On behalf of Michigan Dance Council, state affiliate of National Dance Education Organization, we are pleased to announce that you have been chosen as Educator of the Year for the K-12 Dance Sector.

Your years of service to not only your own students but also to the dance community in Michigan stood out as of particular significance. You have also been diligent in building bridges between High School dance programs and college dance programs and have been effective at helping your students move on to higher education after high school, whether in dance or in other fields.

Congratulations on this award! We at Michigan Dance Council are grateful for your service and look forward to continued work with you.

Sincerely,

Clara Martinez
Chair, Board of Directors
Michigan Dance Council
