## DOLPHIN DISTANCE LEARNING NEWSLETTER

The DPSCD is in the process of planning for a combination of possible face to face learning opportunities (assuming the Safe at Home Order is lifted) for students and distance learning this summer from Monday, July 13<sup>th</sup> through Thursday, August 6<sup>th</sup>. The following programs will be offered either face-to-face or virtually from 8:30 a.m. to 12:30 p.m. at select school sites. All programs are in the planning phases and will only be offered if the response from parents indicates that there is interest and enough teachers to provide face to face instruction and/or online learning from home.

If you are interested in your child participating in summer learning, face-to-face or remotely, please complete the [Summer School Application](#) by Friday, June 12, 2020.

Enrollment forms are available in English, Spanish, Bengali, and Arabic. To learn more, visit [detroitk12.org/enrollnow](http://detroitk12.org/enrollnow)

Although the COVID-19 crisis is changing daily, we are keeping our students & staff safe. Please remember to wear a mask when necessary, wash your hands & stay 6 feet away (social distancing). It is important that we continue to follow the rules of our Governor.

Thurgood Marshall along with the rest of the DPSCD District is determined to keep EDUCATION FIRST. The link provided below will address frequent questions regarding the COVID-19 & distant learning information.
