Inspiring Hope...Improving Lives

School Based Program

Our School Based Program is committed to providing youth and families with a variety of services to assist them in living healthier, happier lives.

We continue to offer support to the students and families of our communities, including the availability of telehealth services, during the ongoing school closures and beyond.

Through this, our team can “meet” with students and families through phone and video chat for intakes, assessments, individual, group, and family therapy.

For more information, about services for students for Mumford High School, please click this link: <https://docs.google.com/forms/d/1Y1AQSDLjH57JQ2vEmhY-i-LULdL0-Kd7EbqNUtO7BT8/edit?ts=5f6b741f&qxids=7628>
