Music Media Technology Pathway Advisory Board Invitation

December 1, 2020

Dear Industry Leader,

Mumford High School is excited to announce the arrival of our new learning Pathway: Music Media Technology (MMT) – and you're invited to become a contributing partner on our Pathway Advisory Board or join us as a returning partner!

On behalf of Mumford Principal Mr. Damian Perry, your presence is formally requested at Mumford's first **virtual** Pathway Advisory Board meeting tentatively scheduled for Tuesday, December 1st, from 1:30 p.m. – 2:30 p.m. The meeting will be brief and has time built in for questions. Virtual meeting information:

Microsoft Teams Meeting (Download the App)

Join on your computer or mobile app

[Click here to join the meeting](#)

Or call in (audio only)

[+1 313-462-2305](tel:+13134622305),45312890# United States, Detroit

Phone Conference ID: 453 128 90#

The agenda will include information about how our school is partnering with MMT industry professionals as well as others interested in supported the MMT Pathway such as community partners, parents and students. We recognize that your field expertise can guide the culminating projects in our courses as you provide insight to our staff and students on the readiness required to prepare for entry into Music Media as a career. With your support and collaboration ranging from speaking to students about employment possibilities to receiving students on tours of your workplace, we believe learners will demonstrate their capabilities to occupy internships at your work sites that can lead to future long-term MMT careers.

As a result of your tutelage, we will work to bridge the gap between education and the world of business and industry. It is our hope that you can see your organization serving in an integral role in helping us prepare students for authentic, real-world, project-based learning experiences. Your level of support can run from mild as a consultant, to engaging as a mentor, to full hands-on to helping with culminating projects, as examples.

Thank you in advance for your continued interest in our efforts to fulfill the Detroit Public Schools Community District mission to educate and empower Detroit students and the vision to nurture students who realize their inherent ability to thrive.

We welcome you to attend our monthly meetings virtually, by phone or in person to serve as a consultant, supporter of our planning, or help us connect with others who are open to being stakeholders in this promising new venture!

With High Regards,

Mrs. Tanya White (Cross), Ed.S.
