Learning Center

❖ What happens in a learning center?

Our learning labs are offered daily from 7:30 – 2:40. Students are divided into three centers: K-2, 3-5 and 6-8 with approximately 50 students in each with a substitute teacher and a paraeducator with support of administration. Students log on to their computers and work directly with their teachers

In-Person Learning Availability

❖ Indicate classes/grades that are available for in-person learning

❖ ASD

❖ Strohm Pre-K Classroom

Transportation

- ❖ Transportation is available for all students who meet the requirements per the district policies. We are requesting parents to notify the office if you would like to come to the learning center. We will add them to PowerSchool to ensure they can get picked up at their designated stop.
- ❖ Please contact transportation at (313)945-8600 between 7:30 am-2:40 pm for your time and location for service
