Important Notes

❖ While all work is enrichment, we encourage students to engage daily. This engagement will help them be prepared when they return to school in the fall.

❖ Student participation will be monitored and captured. This will be done through student logins to the online portal, telephone interactions or communication with parents who verify student engagement.

❖ All resources and current information can be found on the district’s website at [www.detroitk12.org/covid19](http://www.detroitk12.org/covid19).

Who to contact for assistance

https://www.detroitk12.org/schools/bethune

Administrators: William Jackson
Guidance Counselor: Okiymo Manica

The District also offers two hotlines to offer additional assistance, the Homework Hotline and the Mental Health Support Hotline, both which may be accessed at 1-833-466-3978.
Family Check-Ins

It is our goal that every student is engaged every day, just as they would be if they are in school. They may be attending sessions online or on the phone with their teachers, but an additional staff member will also make contact once or twice a week. This is to ensure are parents have their questions answered, feel supported and are not in need of additional resources the school can provide.

The calls will generally come from a 313 or 248 phone number. The staff member will always identify who they are and their role at the school.
Family Engagement Opportunities

Packets can be picked up at Bethune on April 22nd, 23rd and 24th from 9am-1pm
