Design Principles

Students Rise. We All Rise.

**Learning Packets will be distributed
from 32 schools within the District.**

Important Notes

- ❖ While all work is enrichment, we encourage students to engage daily. This engagement **will** help them be prepared when they return to school in the fall
- ❖ Student participation will be monitored and captured. This will be done through student logins to the online portal, telephone interactions or communication with parents who verify student engagement.
- ❖ All resources and current information can be found on the district's website at www.detroitk12.org/covid19.
- ❖ Continue checking Class Dojo for other resources from your child(ren)'s teacher.

Student Participation

- While student participation will be monitored daily and entered in Powerschool on Tuesday and Friday. Participation will cover the days of contact made from Wednesday through Friday and Saturday through Tuesday. Contact is not expected over the weekend, however, if students/parents send contact over the weekend, it should be captured as participation reported on Tuesday. Participation will be confirmed in one of three ways:
- ✓ The student logged in to a learning site., Teams/Khan Academy, through Clever ✓ Parent/student notification that the student is engaging in the in the learning activities via learning packets or other non-online learning engagement (review of website and completing activities). Notification can be through email, phone call, and/or text messaging

Student Participation continued:

- ✓ Participation is confirmed if the parent notifies the teacher that they are attempting to participate but have circumstances that are hindering their participation such as: family emergencies, illness, lack of resources (electricity, water, internet, transportation, child care, homelessness, or other situations that would also impact student learning in face-to-face education).
- These situations require principals and other campus staff to contact parents and provide support. During this time, teachers will mark participation as attendance twice a week, on Tuesday and Friday. All students should be marked with a "P" for Present or an "A" for Unexcused Absence on Tuesdays and Fridays. Teachers should begin taking attendance on Tuesday, April 21st.
- ✓ Tuesday attendance: Teacher confirms participation or attempts to participate on Saturday, Sunday, Monday, and/or Tuesday.
- ✓ Friday attendance: Teacher confirms participation or attempts to participate on Wednesday, Thursday, and/or Friday. ✓ Unexcused absences: Students are only marked as having an unexcused absence if the school has attempted multiple times to contact parents/students and received no response.

Family Check-Ins

It is our goal that every student is engaged every day, just as they would be if they are in school. They may be attending sessions online or on the phone with their teachers, but an additional staff member will also make contact once or twice a week. This is to ensure our parents have their questions answered, feel supported and are not in need of additional resources the school can provide.

The calls will generally come from a 313, 586 or 248 phone number. The staff member will always identify who they are and their role at the school.
