Family Check-Ins

It is our goal that every student is engaged every day, just as they would be if they are in school. They may be attending sessions online or on the phone with their teachers, but an additional staff member will also make contact once or twice a week. This is to ensure parents have their questions answered, feel supported and are not in need of additional resources the school can provide.

The calls will generally come from a 313, 734, or 248 phone number. The staff member will always identify who they are and their role at the school.

For Added Assistance Call The “Homework Hot Line”

- Students can also find assistance by dialing in to the “Homework Hotline”.
- Monday – Thursday 9am – 4pm & 5pm – 8pm
- Friday 9am 3pm
- The District also offers two hotlines to offer additional assistance, the Homework Hotline and the Mental Health Support Hotline, both which may be accessed at 1-833-466-3978
