

## Technology and Family Resource HUB (DPSCD)

Please be advised that the Technology Hubs will remain open throughout the District but the locations and schedule has been slightly modified. ***The following schools, which had lower demand each week, will no longer serve as Hubs: Academy of the Americas, Gompers Elementary-Middle, and Pershing High School. In addition, Hubs will no longer operate on Saturdays, which was also a less popular day for visiting the Hubs.*** Please see the chart below for all updated locations, days, and times for access.

We are prepared to keep the Hubs running through the school year even when the Learning Centers open and eventually when in person learning resumes.
