## Covid19 Safety Tips

### Why is it important to wear a mask?

DPSCD ( Detroit Public Schools Community District), will gradually reopen for more in-person work, services, and instruction, all while working to ensure the safety of students, staff and family members. One way for all to remain safe is simply wear a mask daily! Below are some tips on the importance of wearing a mask.

**1 Explain Why**

Use simple, and friendly explanations.

*Example:* We are wearing masks to protect each other from dangerous germs.

**2 Buy One or Make One**

Students should pick out their own color and style of mask that's will work for their face size.

**3 Be Creative**

Help students to decorate their masks using crayons, paint, or markers so their masks is their own.

**4 Wear It Right**

- ◆ Cover your nose, mouth and chin
- ◆ Loop around ears
- ◆ Wash/sanitize hands

**5 Be Role Models**

Wear your masks and remind students you're being safe together. Make it fun, take selfies, wash them and have more than 1.

**6 Maintain 6ft Social Distancing**

Remember to practice social distancing at all times.

Our masks protect you, and your mask protects us!!!
