Welcome Back Maybury Families!

As we are in our final preparations for the beginning of the 2020-2021 school year, I wanted to assure you that we are all working very hard to provide you and your children with the best educational experiences during these unprecedented times. There are some teachers who are preparing their online classrooms while others are getting ready to greet their students face to face. We are all ready to get to work.

Your child will be returning to school in one of three different ways this school year.

Face to Face: Your child will be in a classroom with a teacher. There will be a limited number of students in each of the classrooms for health safety reasons. Your child will come to school every day from 8:00-3:10.

Virtual: Your child will receive their instruction from home through the computer. Your child will be assigned a teacher who will present lessons and work with the class from the computer. Your child will follow a regular school routine from 8:00-3:10 every day.

Learning Centers: If you have chosen for your student to return to the school building, but there isn't a face to face teacher for that grade, then they will be in a classroom room with supervision learning from their teacher via the computer. Your child will receive the same instruction as a virtual student. The only difference is that they are in the school building instead of at home. Your child will come to school every day from 8:00-3:10.

We look forward to a wonderful school year!

4 de septiembre del 2020

¡Bienvenidos de nuevo Familias de Maybury!

Ahora que estamos en nuestros preparativos finales para el comienzo del año escolar 2020-2021, quería asegurarles que todos estamos trabajando muy duro para brindarles a ustedes y a sus hijos las mejores experiencias educativas durante estos tiempos sin precedentes. Hay algunos profesores que están preparando sus aulas en línea mientras que otros se preparan para saludar a sus alumnos cara a cara. Todos estamos listos para ponernos manos a la obra.

Su hijo regresará a la escuela en una de tres formas diferentes este año escolar.

Cara a cara: Su hijo(a) estará en un salón de clases con un maestro. Habrá un número limitado de estudiantes en cada una de las aulas por razones de salud y seguridad. Su hijo vendrá a la escuela todos los días de 8: 00-3: 10.

Virtual: Su hijo(a) recibirá instrucción desde casa a través de la computadora. A su hijo(a) se le asignará un maestro que presentará lecciones y trabajará con la clase desde la computadora. Su hijo(a) seguirá una rutina escolar regular de 8: 00-3: 10 todos los días.

Centros de aprendizaje: Si ha elegido que su estudiante regrese al edificio de la escuela, pero no hay un maestro cara a cara para ese grado, entonces estará en un salón de clases con la supervisión del aprendizaje de su maestro a través de la computadora. Su hijo recibirá la misma instrucción que un estudiante virtual. La única diferencia es que están en el edificio de la escuela en lugar de en casa. Su hijo vendrá a la escuela todos los días de 8: 00-3: 10.

¡Esperamos tener un año escolar maravilloso!

Kathleen Keenmon
