THIS AGREEMENT is effective July 1, 2017 between the School District of the Detroit Public Schools Community District, Detroit, Michigan (hereinafter referred to as the “District”) and the Teamsters Local 214 (hereinafter called the “Union”). The duration of the agreement is from July 1, 2017 through June 30, 2020.

PURPOSE AND INTENT: The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful relations for the mutual interest of the school children of the City of Detroit, the District, the Employees, and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the District’s success in establishing a proper service to the community. To those ends, the District and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE 1 – RECOGNITION – EMPLOYEES COVERED

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, the District does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to the rate of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement of all employees of the District included in the bargaining unit who hold the titles of Police Officer, Campus Security Police Officer and Fingerprint Technician (Should the District reinstate the position of Fingerprint Technician, the position is subjected to the entire collective bargaining agreement.).

The Union shall represent probationary employees for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment except discharged and suspended employees for other than Union activities.

ARTICLE 2 – MANAGEMENT RIGHTS AND RESPONSIBILITIES

The School District of the City of Detroit reserves all rights and powers conferred upon it by the Constitution and laws of the State of Michigan and the United States. In addition, the School District of the City of Detroit reserves the right to govern and to manage the District in all respects, except as to limitations on the right to govern and to manage that are specifically set forth in this Agreement. However, all District policies and procedures, and in addition those contained in the Detroit Public Schools Community District Police Department (“DPSCDPD”) Manual for police officers and DPSCDPD Manual for campus security police officers, are part of the Collective Bargaining Agreement. The parties both recognize the possibility that emergency situations may arise in which prior notification is not feasible.

This agreement is subject in all respects to the laws of the State of Michigan with respect to the powers, rights, duties and obligations of the District, the Union, and employees covered by this Agreement. In the event that any provisions of this Agreement shall at any time be held to be contrary to law by a court of competent jurisdiction from whose
final judgment or decree no appeal has been taken within the time provided for doing so, such provision shall be void and inoperative; however, all other provisions of this Agreement shall continue in effect.

ARTICLE 3 – UNION RIGHTS

Members of this unit shall generally work within the scope of their classification. It is recognized that during a particular emergency an employee, in order to protect life or property, may perform a task which traditionally has fallen outside of his/her classification.

ARTICLE 4 – UNION FEES AND DUES

A. The District is prohibited from assisting the Union in collecting dues or service fees from wages of District employees, pursuant to applicable state law.

B. If any provision of this Article is invalid under Federal or State law, said provision shall be modified to comply with the requirements of said Federal or State law.

C. The District recognizes the Michigan Freedom to Work (Public Act 349 of 2012) as the law under which the collective bargaining agreement is governed.

ARTICLE 5 – UNION STEWARDS

The District recognizes the right of the Union to designate two stewards for each District job classification in the bargaining unit where the job classification contains more than 50 employees. Where necessary in the interest of maintaining a cooperative relationship between the Union and the District, the steward shall be permitted a reasonable time to investigate and present grievances but shall not receive any extra pay from the District because of the performance of such duties. The union will provide the District with the names of the designated stewards at the beginning of each school year and/or when the union changes its designations.

The steward shall perform his/her duties as steward without interference with his/her own job functions or the job functions of other employees or the operation of DPSCD. The steward shall not leave his/her job to conduct his/her duties as steward without first securing the permission of the immediate superior.

ARTICLE 6 – PROHIBITION AGAINST STRIKES

There shall not be any strike action or other concerted withholding of services of any type engaged in by the Union or any of the employees in this bargaining unit against the District, nor shall any such action be encouraged by the Union. There shall be no lockout by the District against the Union. The Union will take all affirmative steps necessary to constitute a good faith effort to discourage, prevent, and terminate any strike action or other concerted withholding of services of any type against the District by any of its members and the District will not engage in Unfair Labor Practices calculated to provoke such action by the Union’s members.
ARTICLE 7 – EQUAL EMPLOYMENT OPPORTUNITIES

There shall be no discrimination against any person in employment or in the union membership because of race, sex, religion, color, creed, or national origin. The parties will work together to assure equal employment opportunities for all. The District will comply with all state statutes governing age discrimination. The District will give equal opportunity and treatment to all District employees covered by this Agreement.

ARTICLE 8 – WORK SCHEDULE, ASSIGNMENTS AND ON DUTY

Work Period. Effective July 28, 2012 or date to be specified thereafter, the work period is defined as 28 consecutive work days. Effective July 28, 2012 or date to be specified thereafter, the members will receive overtime after exceeding 160 actual hours worked in a 28-day work period, pursuant to Article 14 Section A.

Work Day. All unit members will work an eight (8) hour work day.

A. On Duty.

C. Work Schedule and Assignments. The work schedule and assignments of District employees covered by this Agreement will be determined by the appropriate administrator or his/her designee and District employees covered by this Agreement may be scheduled to work any shift in a 24 hour period, 52 weeks a year, seven days a week. Modifications to the work schedule, including work period and work day and assignments are within the sole discretion of the District.

D. Emergency Closure Reporting. On days where the District closes all schools due to inclement weather or any other emergency, all District employees of the bargaining unit shall report unless otherwise directed, and will be paid their
regular pay. District employees of the bargaining unit who are scheduled to report and who fail to report shall be required to present a doctor's certificate indicating that a legitimate medical condition prevented the employee from working in order to use a sick day.

E. Transfers and Promotions. The District has the right to recruit, assign, transfer or promote employees to positions within the Department.

F. Academic Calendars. The parties acknowledge that the District has adopted school calendars for the 2016-17 and 2017-18 school years.

ARTICLE 9 – CALL-IN PROCEDURE FOR ABSENCES

District employees covered by this Agreement will call the Police Desk at least one hour before his/her regular starting time to report an absence. Failure to adhere to the above procedure may result in the loss of pay by an employee. District employees covered by this Agreement shall adhere to the District's policy regarding absences and if not, the employee will be subjected to discipline up to and including termination. When utilizing sick day increments less than eight (8) hours, the employee must inform their supervisor of the time period they will be absent.

ARTICLE 10 – ATTENDANCE

The Detroit Public Schools Community District Corrective Discipline Policy will be used to determine when disciplinary action will be initiated for employees and the procedure that will be followed.

After four (4) consecutive workdays of personal illness the employee must furnish a statement from his/her physician on a District approved form to Employee Health Services, in order to secure his/her next paycheck.

If a pattern of abuse of sick days is determined by management, the District will commence disciplinary proceedings for abuse of sick leave days.

A. Attendance Review - General

The DPSCD Police Department is responsible for providing efficient law enforcement services. Maximum attendance is required from all members if this responsibility is to be fulfilled. It is, therefore, necessary to identify and correct members who have developed a pattern of regularity in the use of their sick leave benefits. Therefore, DPSCD Police Department management will review the records of their members on a quarterly basis or as determined by the DPSCDPD.

B. Attendance Review - Counseling regarding Regularity in the Use of Sick Leave Benefits

Upon review and approval of the Chief of Police and/or his designee, management will counsel employees whose records show such an indication of a pattern of regularity in the use of their sick leave benefits. The counseling session will include a discussion of
the pattern observed to date, and the member’s reason for absences. Where appropriate, the supervisor will explore positive future courses of available action with the member in an effort to assist the member in adopting corrective measures. At the end of the counseling session, the supervisor will prepare a report of the meeting and attach the report to the member’s DPSCD Police Department Attendance Card. A copy of the report will be provided to the employee. Said counseling does not constitute disciplinary action. Further, said report will be removed from their DPSCD Police Department record upon request by the employee at the end of one (1) year providing no further corrective action has been necessary since the initial counseling session with the employee.

C. Continued Pattern of Regularity in the Use of Sick Leave Benefits

If counseling does not produce improved attendance, the attendance review will be submitted for disciplinary action up to and including discharge.

the beginning of the 2017-18 school year. For example, a bargaining unit employee who was on step 2 of his/her respective wage schedule during the 2016-17 school year shall move to step 3 of the schedule as of the beginning of the 2017-18 school year.

b. Employees on steps other than on the top of the wage schedule shall receive an on-schedule wage increase of 3.0% as of the payroll period following the beginning of the second semester of the 2017-18 school year.

This payment will be made to those employees who are still employed by the District as of the date that such payment is made.

d. In addition, employees who are employed as of July 1, 2017 shall also move one step on their respective wage schedule as of the payroll period following the beginning of the second semester of the 2017-18 school year.

This payment will be made to those employees who are still employed by the District as of the date that such payment is made.

2. For employees on steps:
   a. Employees on steps other than the top of the wage schedule shall receive an on-schedule wage increase of 3.0% as of the payroll period following the beginning of the second semester of the 2018-19 school year.

   b. In addition, employees who are employed as of July 1, 2018, shall receive an off-schedule bonus in the amount of $250 (Two Hundred Fifty Dollars) before December 25, 2018 (pro-rated for less than full-time employees). This payment will be made to those employees who are still employed by the District as of the date that such payment is made.

   c. In addition, employees who are employed as of July 1, 2018 shall also move one step on their respective wage schedule as of the payroll period following the beginning of the second semester of the 2018-19 school year.
For both 2017-18 and 2018-19, all percentage wage increases and additional movement on steps (excluding step movement based upon the 2016-17 agreement) are to be implemented at the beginning of the payroll period following the second semester.

C. 2019-20 School Year

There will be a wage re-opener for the 2019-20 school year, provided, however, that there will be no reduction of wages or other forms of monetary compensation for bargaining unit members for that school year. The parties will meet and collectively bargain in good faith on this wage re-opener and engage in discussions on overtime rules (“160-hour overtime rule”) beginning in March 2019, upon request of either party, with such meetings to be held at mutually-agreed dates, times, and locations.

ARTICLE 13 – SALARY SCHEDULES

The salary schedule is attached as Schedule A.

ARTICLE 14 – COMPUTATION OF BACK WAGES

Pursuant to Fair Labor Standard Act (“FLSA”), claims related to wages or fringe benefits must be brought within two (2) years from the date it is reasonable to assume that the union and/or the individual first became aware of the situation giving rise to the claim.

No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at his regular rate of pay. In computing the amount of back wages to be paid by the District in settlement of any meritorious back wage claim, the District may deduct earnings of the employee from any source so that the earnings of the employee during the back wages period will not exceed the earnings the employee would have received from the District had he/she been employed by the District at his/her regular rate of pay.

ARTICLE 15 – OVERTIME AND SHIFT DIFFERENTIAL

A. Overtime Pay: Effective July 28, 2012 or a date to be specified thereafter, time and one-half will be paid to all District employees covered by this Agreement for actual hours worked in excess of 160 hours during the 28 day work period. For purposes of this section, the phrase “actual hours worked” shall be consistent with the definition of hours worked pursuant to FLSA which means actual hours worked with the inclusion of vacation, personal business and holiday hours counted towards the actual hours worked.

B. Shift Differential: A shift differential of $.50 shall be paid for all hours worked for those working the afternoon shift (shift scheduled to begin between 1:00 pm and 3:00 pm), and a shift differential of $.75 for all hours worked on the midnight shift (shift scheduled to begin between 9:00 pm and 11:00 pm), which shall include the weekends.

C. Overtime Schedule: It is understood and agreed that overtime schedules will be posted.
ARTICLE 16 – EMPLOYEE BENEFITS

The current health care plans and other insurance benefits which are set forth in the signed and approved “Tentative Agreement between the DPSCD, the DFT, and the Coalition of Unions” (with attachments, dated October 31, 2016) will remain in effect through December 31, 2018. The parties will engage in good-faith collective bargaining over health and other insurance benefits to be effective January 1, 2019, and may do so on a coalition basis with other Unions, starting in March 2018.

**ARTICLE 18 – WORKER’S COMPENSATION**

A. **Workers’ Compensation**

The District shall provide Worker’s Compensation insurance for all employees covered by this Agreement in compliance with the laws of the State of Michigan.

An employee will maintain employment for a maximum period of one (1) year from the date of injury while receiving workers’ compensation benefits. An employee will continue to receive health insurance and life insurance benefits during the above referenced one (1) year employment period as long as he continues to receive workers’ compensation for that one year period. Upon termination from employment with the District all benefits will end (workers’ compensation will apply as provided by the laws of the State of Michigan). The one (1) year time period does not recommence unless or until an individual has returned to work for 30 days or more.

Failure to return to work within the one (1) year period will be considered a voluntary quit/termination.

**ARTICLE 19 – VACATION BANK AND HOLIDAYS**

**VACATIONS**

A. Effective July 1, 2012, all District employees covered by this Agreement shall receive vacation days with pay. District employees hired before July 1, 2012, shall receive twenty-five (25) vacation days to be accrued at the rate of .97 per every two weeks worked.

**New Hires:** All unit members hired after July 1, 2012, will receive vacation days according to the following formula:

B. There will be two months in which vacation days are restricted:
   1. The last week of school in the month of June before summer break, and
   2. The first two weeks of the beginning of the school year during the month of September.

All vacation leave request will be subject to the approval of management depending upon the personnel needs of the Department. All vacation requests are subject to change if the appropriate administrator declares an emergency situation.

C. Members who plan to use vacation time must notify management in writing 20 days in advance of the upcoming 28-day work period for staffing and scheduling purposes.

Only 10% of shift personnel are allowed to be on vacation at the same time. During the District’s scheduled school breaks, i.e., summer, Christmas, winter, and spring, more than 10% of the members can request vacation days based on operational needs (i.e., District training, sporting, and social events) during those periods.

Police officers and campus security police officers must submit the usage of their vacation days by April 30 (accordingly, all vacation requests for the month of June must be submitted by April 30th as well).

B. As in the 2016-17 school year, Veteran's Day is no longer a half-day District holiday, and bargaining unit members shall again work a full day on the day Veteran's Day is observed in both 2017 and 2018.

C. As in the 2016-17 school year, bargaining unit members shall not work, but be paid one-half (1/2) day off with pay on the day before Thanksgiving in both 2017 and 2018. In addition, bargaining unit members with vacation time may again also choose to use one-half (1/2) day vacation on such days.

D. A District employee covered by this Agreement shall be eligible for the paid holiday provided he/she works both the day before and the day after such holiday, or is receiving pre-approved sick (other than personal business), or vacation pay or is on scheduled leave day (off day).

Personal business days may not be used to extend a holiday. The increments are subject to modification by the DPSCDPD.

C. An employee not able to return to work following four (4) consecutive days of absence for Personal Illness may return to work after submitting to Employee Health Services a return to work statement from his/her doctor and/or the District's designated Physician, except if the employee’s absence is related to an approved intermittent FMLA leave.

D. After four (4) consecutive workdays of sick leave the employee must furnish a statement from his/her physician on a District approved form, in order to secure his/her next paycheck.
E. The District may implement a schedule of discipline based upon suspected abuse of sick bank by any unit member.

ARTICLE 21 – LEAVE

D. The decision of the Human Resources Office of Employee Health Services in this Article is binding.

E. District employees covered by this Agreement are not permitted to work a second job while on approved leave – illness or FMLA. Those employees who fail to abide by this section of the article will be subject to discipline up to and including termination. In addition, the employee may be subject to reimbursement for health benefits costs paid on the employee’s behalf and other benefits as applicable.

ARTICLE 22 – MATERNITY LEAVE

Employee absences from work, except as specifically provided otherwise in this Article, which are associated with pregnancy, childbirth and child care, shall be subject to the respective regular School District provisions as applicable for approved illness absence.
For eligible employees (one year of service and 1,250 hours worked in past 12 months), maternity leaves shall be governed by the Family and Medical Leave Act (FMLA) of 1993.    b. If day of death is a scheduled workday and employee does not work on that day the days allowed begin with and include the day of death.
   
   c. If day of death is not a scheduled workday or occurs during vacation periods the days allowed are those scheduled working days (or actual working days following vacation period) which fall within seven (7) consecutive calendar days including day of death.

**ARTICLE 24 – PROBATION PERIOD**

Employees newly appointed or assigned to a regular position in the unit, either as a Campus Security Police Officer or Police Officer shall be considered probationary employees for the first twelve (12) months of active employment within the DPSCD Police Department.
