Having three different colored shirts, based on grade level, will also allow staff members to know which area of our building the students belong. The also allows students to be easily identifiable during school outings. Additionally, having 100% of our students in uniforms helps to alleviate the peer-pressure about being fashionable. Parents as Partners

We have found that students with parents who are involved in their school tend to have fewer behavioral problems, better academic performance, and are more likely to complete high school than students whose parents are not involved in their school.

We expect all parents to accept this challenge and to determine the best way to become involved in the PRMXA school community.

Join the Parent Teacher Association (PTA)

Parents and Teachers meet once a month to discuss matters that affect the children and organize events to raise funds for projects that support student growth.

*Become a Room Parent

Actively engage with students in class, become a link between the Room Teacher and other parents as well as with the PTA.

*Volunteer for Lunch Duty

Actively engage with students during lunch and recess to support students in making healthy and safe choices.

Chaperone a Field Trip

Actively engage with students during an offsite field trip. Help the Room Teacher monitor and organize students on bus and at event to ensure student safety.

Become a PRMXA Ambassador

Be ready to step up and support PRMXA in school related activities, i.e. Enrollment Fairs, Field Day, Board Meetings, etc.

*Application required for this position. Application may be obtained from the Main Office.
Requesting a Parent Conference

District Level Parent Teacher Conferences (PTC’s) are held each semester. Parents that wish to meet with a Teacher to discuss their child’s progress and or a concern outside of the scheduled calendar dates should complete a Parent’s Request for Conference Form in the Main Office. Please allow 24 hours for the teacher to respond.
Open Door Policy

Paul Robeson Malcolm X Academy has always believed in making parents, family, friends, and guests feel welcome in our school community. However, in an effort to improve and increase our safety practices, we have determined it is necessary to reexamine our Open-Door Policy. We now encourage parents to “Kiss and Drop” their students at the door.

- Parents who wish to walk their students to class in the morning and or pick their students up from their classroom in the afternoon MUST obtain a pass from the Office.

- Parents who wish to conference with a teacher MUST make an appointment ahead of time to speak with the teacher and obtain a pass from the office BEFORE going to the classroom.

- Parents and guests seen walking in the building without a pass/identification will be asked to return to the office to obtain the appropriate documentation before traveling throughout the building.

- If you need to pick your child up before dismissal for any reason, they MUST be signed out in the Office and please be prepared to present your identification. Any adult picking up a student from school should be at least 18 years of age and listed on the student’s Emergency Contact Card.

- **CAUTION:** The State Law [MCL 388.1701 (3)] MANDATES a required number of instructional hours. Early pick-ups from school and late arrivals to school put your child at risk of being retained in their current grade.

**SAFE SCHOOL NOTICE**

ALL VISITORS MUST REPORT TO SCHOOL OFFICE
Illness Policy

Paul Robeson Malcolm X Academy adheres to the Michigan Department of Health guidelines for dealing with illness in the classroom. These guidelines are designed to protect all children and staff members in the classroom and school. Please do not send your child to school if they are noticeably sick. If a child is considered too ill to attend school at drop off, they will not be permitted to stay and will be sent home. We encourage safeguarding the health of all our children and staff members by requesting families keep their child at home if any of the following symptoms occur:

✓ Diarrhea (three or more watery stools)
✓ Vomiting (two or more times within 24 hours)
✓ Open or oozing sores, unless properly treated and covered with bandages
✓ Communicable skin infections include: pink eye, impetigo and scabies.

Children may return 24 hours after the start of antibiotics and with a readmit slip from a health care provider ONLY!
✓ Lice
✓ A fever of 100 degrees Fahrenheit or higher and also one of the following:
  o Earache
  o Headache
  o Sore throat
  o Rash
  o Fatigue that prevents regular activities

Please keep your child home from school if they show any of the symptoms above.

Medication Policy

Paul Robeson Malcolm X Academy teachers and staff cannot administer any medication, prescription, remedy, or treatment except to the extent that such administration is required under the provision of the Americans with Disability Act, which then will be administered by trained administrative staff. Specific school locations may have an onsite health care provider that can assist with health care needs. Please speak with your child's classroom teacher if ongoing healthcare treatment is needed or if your child is taking any medications.

Food Allergies

Food Allergies should be reported to the Office of School Nutrition. Information can be obtained from Cafeteria Supervisor.

Teaching African Centered Expectations

Be SAFE (Umoja). Be RESPONSIBLE (Ujima). Be RESPECTFUL (Nia).

ARE YOU ACE-ing??

RESPECT: It is the ability to show honor, esteem, and consideration for others and property. It is the ability to show compassion for others. Respect for others and property is closely related to respect for oneself. Those who lack self-respect usually do not give respect to others and property. Respect is important to give and to receive. It shows that you think the other person has value and importance. It is an unspoken communication that occurs between people. It is an attitude as well as a personal quality, an important “ingredient” of life.

RESPONSIBLE: A core value of our school; the ability to act and/or make decisions on one’s own without supervision. It is an obligation/expectation to carry forward a task to a successful end. Those practicing responsibility will think before acting, expect accountability for his/actions, will admit mistakes and plan for correction of those mistakes. In the words of Henry Ward Beecher, an abolitionist, “Hold yourself responsible for a higher standard than anybody else expects of you, never excuse yourself.”

SAFE: Student perception of school safety is associated with violence in schools (Gottfredson & Skroban, 1996). When students perceive their school to be a dangerous place, they are more likely to engage in problematic behaviors that they view are necessary for their personal safety. Safety should be the number one concern of school staff as students cannot learn unless there is a perception of safety. It is the right of all students, parents, and staff to be safe from danger, risk, or injury in the school environment. Safety does not “just happen”. It is incumbent upon each person to contribute to safety in our community and in all areas of our school. If you witness an unsafe situation, report it.
