0110 OFFICIAL DESCRIPTION

0111 Name
The Board of Education of this district shall be known officially as the Detroit Public Schools Community District Board of Education.

0112 Purpose
The Detroit Public Schools Community District Board of Education (the “Board”) exists for the primary purpose of providing public education services to children residing within the geographic boundaries of the City of Detroit.

0113 Classification
The Detroit Public Schools Community District (the “District”) has all of the powers of a general powers school district and has all additional powers grants by law to community districts or the school board of a community district.

0114 Address
The official address of the Detroit Public Schools Community District Board of Education shall be 3011 West Grand Boulevard, Fisher Building, 12th Floor, Detroit, MI, 48202.
0120 POWERS AND PHILOSOPHY

0121 Board Authority
The supervision of this District shall be conducted by the Board of Education, hereinafter sometimes referred to as the "Board", which is constituted and is governed by the laws of the State of Michigan. In addition, the District is subject to financial oversight by a Financial Review Commission to the extent provided under the Michigan Financial Review Commission Act.

In the event that statutes are changed, or if State or Federal law is in conflict with Board Policies or Bylaws, State or Federal statutes will take precedence.

0122 Board Powers
The Board is fundamentally a policy-making or legislative body rather than an administrative body. It is the responsibility of the Board to see that schools are operated properly, and not to administer them directly.

The Board has all of the rights, powers, and duties expressly stated by statute; may exercise a power implied or incident to a power expressly stated by statute; and except as otherwise provided by law, may exercise a power incidental or appropriate to the performance of a function related to operation of a public school and the provision of public education services in the interests of public elementary and secondary education in the District, which include, but is not limited to:

A. Educating students in grades K-12, which may include operation of preschool, lifelong education, adult education, community education, training, enrichment, and recreation programs for other persons. Thus, the District may do either or both of the following: 1) educate students by directly operating 1 or more public schools on its own; and/or 2) cause public education services to be provided for students of the District through an agreement, contract, or other cooperative agreement with another public entity, including, but not limited to, another school district or an intermediate school district.

B. Providing for the safety and welfare of students while at school or a school sponsored activity or while en route to or from school or a school sponsored activity;

C. Except as otherwise provided by law, acquiring, constructing, maintaining, repairing, renovating, disposing of, or conveying school property, facilities, equipment, technology, or furnishings;

D. Contracting for, scheduling, supervising, or terminating the Superintendent of schools, independent contractors, administrators, employees, and others, including, but not limited to, another school district or an intermediate school district, to carry District powers.
E. Receiving, accounting for, investing, or expending public school money; borrowing money and pledging public school funds for repayment; and qualifying for state school aid and other public or private money from local, regional, state, or federal sources;
F. Enter into agreements, contracts, or other cooperative arrangements with other entities, public or private, including, but not limited to, another school district or an intermediate school district or join organizations as part of performing the functions of the District; and
G. Adopt bylaws that may establish or change board procedures, the number of Board officers, titles and duties of Board officers, and any other matter related to effective and efficient functioning of the Board.

0123 Philosophy of the Board
A Board of Education is a legal entity for providing a system of public education within a geographic area of the State of Michigan. The system was created by, and is governed by, State statutes. Members of a Board are chosen by citizens to represent them and the State in the governance of the local schools.

The Board has the dual responsibility for implementing statutory requirements pertaining to public education and for meeting the desires of residents. While the Board has an obligation to determine and assess citizen desires, it is understood that when the voters elect delegates to represent them in the conduct of specified educational programs, they, at the same time, are endowed with the authority to exercise their best judgment in determining policies, making decisions, and approving procedures for carrying out the responsibility.

The Board declares and, thereby, reaffirms its intent to:

A. Maintain two-way communications with citizens of the District. The Board shall keep them informed of the progress and problems of the School District, and the citizens shall be urged to bring their aspirations and concerns about the District to the attention of this body.
B. Establish policies and make decisions on the basis of declared educational philosophy and goals.
0130 FUNCTIONS

0131 Legislative

0131.1 Adopting Bylaws and Policies
The Board of Education shall adopt bylaws and policies for the organization and operation of this Board. Such policies are to include those needed to meet the education standards established by the laws of the State of Michigan.

Those bylaws and policies which are not dictated by the statutes or rules of the State Board of Education or ordered by the State Superintendent of Public Instruction or a court of competent authority may be adopted, amended, and repealed at any meeting of the Board, provided the proposed adoption, amendment, or repeal shall have been proposed at a previous Board meeting and, once proposed, shall have remained on the agenda of each succeeding Board meeting until approved or rejected, except that the Board may, upon a vote and where compelling reasons exist, cause to adopt, amend, or suspend bylaw or policy contained herein, provided the amendment, adoption, or suspension does not conflict with law. Any resolution adopting, amending, or suspending a bylaw or policy under this provision shall expire automatically at the next public meeting of the Board unless the Board moves to adopt the resolution in final form.

Bylaws and policies shall be adopted, amended, repealed, or suspended by a majority vote of the Board.

The Board may adopt, amend, or repeal rules of order for its own operation by simple resolution of the Board passed by a majority of those Board members present and voting. The adoption, modification, repeal, or suspension of a Board bylaw or policy shall be recorded in the minutes of the Board.

All bylaws and policies shall be printed in the Board policy manual. Any policy or part of a policy that is superseded by a term in a negotiated agreement shall no longer be in force and effect as a policy.

0131.2 Technical Corrections
Periodically, it may be deemed necessary to make technical corrections to policies that have already been adopted through normal procedures. These technical corrections may include statutory references, scrivener’s errors, renumbering that does not change the order of the sections or subsections, grammatical corrections or additions including punctuation or typographical errors, as well as alterations and omissions not affecting the construction or meaning of any sections, subsections, chapters, titles or policies as a whole. Technical corrections may also include the updating of the named individuals in these policies where the original
named individual no longer works for the District or no one longer works in the applicable position.

The Superintendent is authorized to review and make technical corrections to policies that have already been adopted through normal rulemaking procedures. The Superintendent shall inform the Board of any such changes at the next regular Board meeting and the Board may adopt such technical corrections by resolution, without going through the normal policy adoption procedures.

0132 Executive

0132.1 Selection of Superintendent
The Board of Education shall exercise its executive power in part by the appointment of a Superintendent who shall enforce the statutes of the State of Michigan, rules of the State Board of Education, and the policies of this Board. The District may not terminate the employment of the superintendent of schools, unless that action is approved by the FRC.

0132.2 Selection of Chief Financial Officer
The District is subject to financial oversight by a Financial Review Commission (FRC). If a FRC is in place, the appointment of a Chief Financial Officer for the District is subject to the approval of the FRC. Before the Chief Financial Officer’s appointment is final, the Board shall submit the proposed appointment in writing to the FRC for its approval. If the proposed appointment is not approved by the FRC within forty-five (45) days after it is submitted in writing to the FRC, the appointment is denied.

The District may not terminate the Chief Financial Officer of the District, unless that action is approved by the FRC.

0132.3 Administrative Guidelines
The Board shall delegate to the Superintendent the function of specifying required actions and designing the detailed arrangements under which the school will be operated. These detailed arrangements shall constitute the administrative guidelines governing the schools which are not inconsistent with statutes or regulations of the State Board of Education or the policies of this Board.

A. Such administrative guidelines shall be binding on the employees and the students of this District when issued.

B. The Superintendent or designee shall be delegated the authority to take necessary action in circumstances not provided for in Board policy, provided that such action shall be reported to the Board at the next meeting following such action.
0140 MEMBERSHIP

0141 Number
The Board of Education shall consist of seven (7) members.

0142 Election/Appointment

0142.1 Electoral Process
Members of the Board shall be elected on a District-wide basis at the November regular election date, in a manner that is consistent with State law.

The two members of this Initial Board receiving the highest vote totals in that election among the 7 members elected shall be elected for a term of 6 years, the 3 members of the Initial Board receiving the next highest vote totals in that election among the 7 members elected shall be elected for a term of 4 years, and the 2 members of the Initial Board receiving the lowest vote totals in that election among the 7 members elected shall be elected for a term of 2 years.

Upon expiration of the terms of the Initial Board members, each member of the Board shall be elected at the November regular election date for a term of 4 years beginning on January 1 following the member’s election.

The term of a member of the elected Board shall begin on January 1 following the member’s election and has duration as provided by law and continues until a successor is elected and qualified.

0142.4 Oath
Each newly-elected Board member shall file an acceptance of office, as well as an affidavit of eligibility within ten (10) days after receiving a certificate of election and shall take an oath of office as prescribed by the Constitution of Michigan.
A ceremonial oath of office may be administered at a Board meeting and may be administered by:
   A. Any Board member;
   B. the past President of the Board;
   C. the past Secretary of the Board;
   D. the Superintendent;
   E. A member of the judiciary; or
   F. A notary public.

0142.5 Vacancies
The office of a Board member shall become vacant immediately upon the occurrence of any one (1) of the following events:
   A. the expiration of his/her term of office
   B. the death of the incumbent, or the incumbent's being found mentally incompetent by the proper court
   C. the incumbent's resignation
   D. the incumbent's removal from office
   E. the incumbent's conviction of a felony
   F. the incumbent's election or appointment being declared void by a competent tribunal
   G. the incumbent's neglect or failure to file the acceptance of office; to take the oath of office; or to give or renew an official bond, if required by law
   H. the incumbent's ceasing to possess the legal qualifications for holding office
   I. the incumbent moving his/her residence out of the District.

0142.6 Filling a Board Vacancy
If the majority of the Board is still seated, a vacancy shall be filled within sixty (60) calendar days, via appointment, by the remaining members of the Board using the following procedure:

   A. The Board shall seek qualified and interested candidates from the community. To become a candidate, an individual must possess the requirements as outlined by law.
   B. All applicants are to submit a notice of their interest, in writing, to the Board Secretary.
   C. The Board may interview candidates to ascertain their qualifications.
   D. Appointment by the Board to fill a vacancy shall be by the majority vote of the existing Board at an open meeting.

If the vacancy is not filled within sixty (days) after it occurs, the Board of the Intermediate School District shall fill the vacancy by appointment.
An appointed member of the Board shall serve until the next annual school election at which time the position shall be filled for the remainder of the unexpired term.

**0142.7 Recall**
Any member of the Board may be recalled pursuant to MCL 168.951 et seq.

**0142.8 Orientation**
The Board believes that the preparation of each Board member for the performance of Board duties is essential to the effective functioning of the Board. The Board shall encourage each new Board member to understand the functions of the Board, acquire knowledge of matters related to the operation of the District, and learn Board procedures. Accordingly, the Board shall give to each new Board member, no later than his/her first regular meeting as a Board member for his/her use and possession during the term on the Board, the following items:

A. access to a copy of the Board policy manual;
B. a copy of each current collective bargaining agreement and/or employee handbook; and
C. the current budget statement, audit report and related fiscal materials.

Each new Board member shall be invited to meet with the Board President, Superintendent and/or Board Secretary to discuss Board functions, policies, and procedures.

**0143 Authority of Board Members**
Individual members of the Board do not possess the powers that reside in the Board as a whole. The Board speaks through its minutes and not through its individual members. An act of the Board shall not be valid unless approved at an official meeting by at least a majority vote of the members present or as otherwise may be required by law.

Recognizing the critical importance of well-informed and educated Board members, it is the goal of the Board to have systems in place to allow for transparent and thorough communication of information between the District administration and individual Board members.

**0143.1 Public Expression of Board Members**
The Board President functions as the official spokesperson for the Board.
From time-to-time, however, individual Board members make public statements on school matters to local media, local officials, State officials and to the general public.

Sometimes the statements imply, or the readers (listeners) infer, that the opinions expressed or statements made are the official positions of the Board. The misunderstandings that can result from these incidents can embarrass both the member and the Board. Therefore, Board members shall, when writing or speaking on school matters to the media, legislators, and other officials, make it clear that their views do not necessarily reflect the views of the Board or of their colleagues on the Board.

This bylaw shall apply to all statements and/or writings by individual Board members not explicitly sanctioned by a majority of its members, except as follows:

A. correspondence, such as legislative proposals, when the Board member has received official guidance from the Board on the matters discussed in the letter;
B. routine, not for publication, correspondence of the Superintendent and other Board employees;
C. routine “thank you” letters of the Board;
D. statements by Board members on non-school matters (providing the statements do not identify the author as a member of the Board); and
E. personal statements not intended for publication.

**0144  Operations**

**0144.1  Board Stipend**

Board members shall receive a stipend of $75.00 per meeting, up to a total of not more than forty-eight (48) meetings per year. Applicable meetings are limited to general board meetings and committee meetings.

To ensure appropriate and proper reimbursements of expenses for Board members, the following guidelines have been established by the Board of Education:

A. Expenses will be reimbursed only for activities authorized by the Board.
B. Reimbursement for mileage will not exceed the current rate established by the Internal Revenue Service.
C. When attending a Board-approved conference, all reasonable fees, parking, mileage, meals, and housing will be reimbursed.
D. No entertainment expenses or purchases of alcoholic beverages are reimbursable.
A voucher detailing the amount and nature of each expense must be submitted to the Board for approval at a Board meeting after the expenses have been incurred and prior to reimbursement.

The Board shall ensure that the District does not provide to a school board member, official or employee of the District any reimbursement from public funds for travel outside of this state unless the reimbursement is specifically approved by the Financial Review Commission.

0144.2 Code of Conduct and Ethics
To be the most effective advocates for children, the Board must function as a team and at all times treat each other and the people served with the utmost courtesy, dignity, respect and professionalism.

The Board shall promote the best interests of the school district as a whole, and, to that end, all decisions will place the needs of children first by adhering to the following educational and ethical standards.

Each Board Member commits that he or she will;
A. bring about desired changes through legal and ethical procedures, upholding and enforcing all laws, administrative rules and regulations, court orders pertaining to schools and district policies and procedures.
B. make decisions in terms of the educational welfare of all children in the District, regardless of ability, race, creed, sex, sexual orientation, national origin, disability or social standing.
C. recognize that the Board must make decisions as a whole in public, as a body corporate, and make no personal promise or take private action that may compromise the role and integrity of the Board.
D. focus Board action on policy making, goal setting, planning and evaluation as outlined in Board Policies and state law.
E. recognize that the role of the Board is to govern and oversee the management of the District and that the Board must delegate authority to the Superintendent for the day to day operations of the District.
F. not step outside their role to govern and oversee the management of the District by seeking to participate in the administration of the day to day operations of the District.
G. hold confidential all matters that if disclosed, may have a negative impact on the District and will respect the confidentiality of information that is privileged under applicable law, including closed session discussions.
H. attend, to the extent possible, all regularly scheduled and specially set Board meetings, arrive on time, and will be informed of the issues to be considered at the meetings.
I. assist in making policy decisions only after full discussion at publicly held Board meetings, and will render all decisions based on available facts, and refuse to surrender judgment to individuals or special groups.
J. refrain from using Board position for personal or partisan gain.
K. disagree in an agreeable manner and will not hold grudges or question other Board member's ethics or motives as to their vote or views on issues.
L. be firm, fair, just and impartial in all decisions and actions.
M. respect the majority decision as the decision of the Board.
N. encourage the free expression of opinion by all Board members, and will make a good faith effort to understand and accommodate the views of others.
O. recognize the appropriate channels to refer complaints to the Superintendent and will do so.
P. seek communication among the Board, students, staff, and the community at Board meetings as required, to conduct Board business.
Q. communicate to fellow Board members and the Superintendent at appropriate times, the expression of public concerns.
R. become informed about current educational issues and seek continuing education opportunities such as those sponsored by state and national school Board associations.
S. disseminate pertinent information gathered at training workshops and conventions with the Superintendent and fellow Board members.
T. share school district information with other Board members.

Further, the Board President commits that he or she will:
U. make sure that persons addressing the Board follow established Board Policy guidelines.
V. make sure that persons addressing the Board do so in a professional manner and not allow inappropriate communication to be directed to the Board or the Superintendent during Board meetings.
W. insure that all Board members are given an opportunity to reflect their views and will work toward building consensus among all Board members.

0144.3 Conflict of Interest
Board members shall perform their official duties in a manner free from conflict of interest. To this end:
A. no Board member shall use his/her position as a Board member to obtain financial gain for himself/herself, immediate family, or any organization with which s/he is associated;
B. no Board member shall engage in or have a financial interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with his/her duties and responsibilities in the school system and as a public officer;
C. when a member of the Board determines that the possibility of a personal interest conflict exists, she/he should, prior to the matter being considered, disclose his/her interest (such disclosure shall become a matter of record in the minutes of the Board), and thereafter shall abstain from participation
in both the discussion of the matter and the vote thereon. In the event that the potential conflict involves a program or activity in whole or in part financed through Federal grant funds, the potential conflict of interest must be disclosed to the Federal granting agency consistent with the requirements of the particular granting agency.

D. Board members shall not be given special consideration in dealings with the District.

E. Board members shall not solicit or accept gratuities, favors or anything of monetary value from contractors or parties to subcontractors involved with state or federal grant funds.

To the extent a conflict of interest arises or a Board member believes a conflict of interest could arise s/he must immediately file a written disclosure, setting forth the nature of the conflict. Should any Board member fail to file such a written disclosure, all transactions with regard to that business relationship shall become voidable at the option of the majority of the Board.

0144.4 Indemnification
The Board may hold harmless, indemnify, pay, settle, or compromise a judgment against a Board member to the extent allowed under the law.

0145 Anti-Discrimination
The Board of Education’s intent is to provide an environment that fosters the respect and dignity of each person. To this end, the Board is committed to maintaining an environment free of discrimination, harassment and intimidation.

Prohibited conduct includes that which as the purpose or effect of creating an intimidation, hostile, discriminatory, or offensive environment on the basis of race, color, gender, age, national origin or ancestry, religion, disability, height, weight, marital status, pregnancy, sexual orientation, and/or any other legally protect characteristic.

Acts of discrimination and or harassment against a student, staff member, another Board member, or third party (e.g. visiting speaker, athletic team member, volunteer, parent, etc.) by a member of the Board is strictly forbidden. Any person who is found to have violated this policy will be subject to discipline in accordance with law.

Meetings of the Board shall be public and no person shall be excluded therefrom.

Any Board member's decision to abstain shall be recorded and be deemed to acquiesce in the action taken by the majority. In situations in which there is a tie vote and the abstention represents the deciding vote, the motion shall fail for lack of a majority.

All actions requiring a vote may be conducted by voice or roll call provided that the vote of each member be recorded. Proxy voting shall not be permitted. Any member may request that the Board be polled.
0166.2 Closed Session

0166.3 Public Participation at Board Meetings
The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on District matters.

To permit fair and orderly public expression, the Board shall provide a period for public participation at every regular meeting of the Board and publish rules to govern such participation in Board meetings. The presiding officer of each Board meeting at which public participation is permitted shall administer the rules of the Board for its conduct.

The presiding officer shall be guided by the following rules:

A. Public participation shall be permitted as indicated on the order of business.
B. Attendees must register their intention to participate in the public portion of the meeting upon their arrival at the meeting.
C. Participants must be recognized by the presiding officer and will be requested to preface their comments by an announcement of their name; address; and group affiliation, if and when appropriate.
D. Each statement made by a participant shall be limited to two (2) minutes duration.
E. No participant may speak more than once on the same topic.
F. Participants shall direct all comments to the Board and not to staff or other participants.

The presiding officer may also:

A. prohibit public comments which are frivolous, repetitive or harassing;

D. request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the orderly progress of the meeting;

F. waive any or all of these requirements for due cause upon a majority vote of the members present.
Parliamentary rules, as specified by Robert's Rules of Order, do not permit cross discussion between members of the audience and the Board.

The Board shall reserve the right to limit discussion so that everyone desiring to speak may be heard.

0166.4 Administrative Participation
The Superintendent and those administrators directed by the Superintendent shall attend all meetings, when feasible. Administrative participation shall be by professional counsel, guidance, and recommendation – as distinct from deliberation, debate and voting of Board member.
