Notification of Pesticide Application

This is to notify you that the **Dixon Learning Academy**, located at 8401 Trinity, will receive a treatment of a pesticide application on Saturday, October 11, 2025, for German Cockroaches throughout the Pre-K wing, hallways, lockers, including janitor's closets, restrooms, classrooms, and any other areas deemed necessary.

Terminix-Ehrlich Services, a licensed pest control contractor working for the district, will apply the pesticide treatment.

Sincerely,

Michael A. Flowers, MSA
Senior Director

Detroit Public Schools Community District
