

**October 9, 2025**

**Notification of Pesticide Application**

This is to notify you that the **Gompers Elementary-Middle School**, located at 14450 Burt Road, will receive a treatment of a pesticide application on Saturday, October 11, 2025, for German Cockroaches throughout the entire building, including janitor's closets, restrooms, gym, hallways, the kitchen/cafeteria areas, classrooms, offices, and any other areas deemed necessary.

Terminix-Ehrlich Services, a licensed pest control contractor working for the district, will apply the pesticide treatment.

Sincerely,

Michael A. Flowers, MSA

Senior Director

**Detroit Public Schools Community District**
