Notification of Pesticide Application

This is to notify you that the **Renaissance High School**, located at 6565 W. Outer Drive, will receive a treatment of a pesticide application on Saturday, October 11, 2025, for German Cockroaches throughout the kitchen area, including kitchen storage rooms, kitchen restroom, kitchen office, the cafeteria areas, and any other areas deemed necessary.

Terminix-Ehrlich Services, a licensed pest control contractor working for the district, will apply the pesticide treatment.

Sincerely,

Michael A. Flowers, MSA

Senior Director

Detroit Public Schools Community District

Environmental Health & Safety

Support Services Complex, Building C
