In the simplest of terms, this plan helps protect a portion of your income. Disability Income Insurance is designed to help protect you if you can't work due to a covered injury or sickness. It provides steady benefits to cover expenses, paying a percentage of your gross monthly earnings.

Cancer Insurance*

If you were unexpectedly faced with a cancer diagnosis, would your major medical insurance be enough? Cancer Insurance may help. Benefit payments are made directly to you, allowing you to pay for expenses like copayments, hospital stays, and house and car payments.

Accident Only Insurance*

Accidents are inevitable. Even though you can't always prepare for unforeseen events, you can plan ahead. An Accident Only Insurance plan may help ease the impact on your finances. This plan pays benefits directly to you, helping you cover any unplanned medical expenses due to a covered accident.

Group Critical Illness Insurance*

If you experience an event such as a heart attack or stroke, Limited Benefit Critical Illness Insurance may help. It pays a lump sum amount to help with expenses that may not be covered by major medical insurance – house payments, everyday expenses, lost income, and more.

Term Life Insurance*

Choose from 10, 20, or 30 year term periods. Rates are guaranteed not to increase during the initial term period you choose.

Whole Life Insurance*

A whole life insurance product that provides a guaranteed level death benefit, guaranteed cash value, and guaranteed level premiums up to age 121. This plan provides full cash value flexibility for options such as loans or partial surrenders, if needed. The cash value provides the flexibility to stop paying premiums and still have some life insurance coverage in force. In most states, employees, spouses, children, and grandchildren
