**Notification of Pesticide Application**

This is to notify you that the **Mackenzie Elementary/Middle School** located at 10147 West Chicago, will receive a treatment of a pesticide application on Saturday, December 2, 2023, for German Cockroaches in various areas throughout the building including the kitchen area.

Ehrlich Services, a licensed pest control contractor working for the district will apply the pesticide treatment.

Sincerely,

Michael A. Flowers, MSA  
Assistant Director

**Detroit Public Schools Community District**
