Notification of Pesticide Application

This is to notify you that **Schulze Academy** located at 10700 Santa Maria, will receive a treatment of a pesticide application on Saturday, January 13, 2024, for German Cockroaches throughout the building including janitor's closets, the kitchen area, and any other area deemed necessary.

Ehrlich Services, a licensed pest control contractor working for the district will apply the pesticide treatment.

Sincerely,

Michael A. Flowers, MSA
