Notification of Pesticide Application

This is to notify you that **T. Marshall Elementary-Middle School** located at 15531 Linwood, will receive a treatment of a pesticide application on Monday, February 19, 2024, for German Cockroaches throughout the building including the hydration station #6 area and any other area deemed necessary.

Ehrlich Services, a licensed pest control contractor working for the district will apply the pesticide treatment.

Sincerely,

Michael A. Flowers, MSA
