Everybody smile and wave. Hello friends. 🎵

Nursery Rhyme Time

Baa, baa, black sheep, have you any wool?
Yes, sir; yes, sir, three bags full:
One for my master, one for my dame,
And one for the little boy who
lives down the lane.

Both of these nursery rhymes have been turned into songs (like many others.)

Sensory Fun

Stroller ride and enjoy the Spring weather.

Activities for Auditory Attending:

Toys that make noise when activated
Babble, talk, and sing to your child
Play music for your child

Sing a Song

Mary had a little lamb,
little lamb, little lamb.
Mary had a little lamb
whose fleece was white as snow.
And everywhere that Mary went
Mary went, Mary went.
And everywhere that Mary went
the lamb was sure to go.

Fine Motor Fun

Make a shaker toy.
Use a small container that child can hold in hand.
(clean medicine bottle or food container)
Put in dry beans, popcorn kernels, or dry rice. Show child how to shake it. You can sing songs as child shakes. Make one for you too to demonstrate and play along.

Language

Rhyming helps children – even babies – hear sounds that are alike. It helps them with learning to talk and some day learning to read.
