

Have you claimed your free device?

If not, do so today – and save time when you pick it up!

All you have to do is take the Connected Futures Family Survey in your DPSCD email.

1. Open Your DPSCD Email

On your browser, go to: <https://outlook.office.com/> or use this QR code.

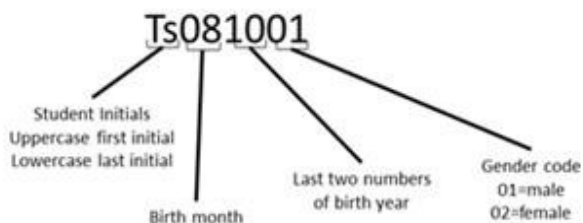

2. Login to Your Student Account

All DPSCD students have a unique username and password to access their DPSCD email.

- The username is the child's email address which consists of their student ID number (555555@thedps.org)
- The password consists of a combination of the student's name, birthday, and gender.

Example: If Thomas Smith is a DPSCD student with a student ID of 018765 and his birthday is August 25, 2010, his username would be 018765@thedps.org and his password would be Ts081001.

Password Configuration

Uppercase First Initial, lowercase last initial, month of birth, year of birth, gender code (01 = male, 02 = female)

3. Find and Take the Survey

Search for "Connected Futures" in your email to find the survey, then click the link to take it. Once you have taken the survey, you will get another email in your DPSCD email account with your reservation number.

Need help? Can't find it? Don't worry! We can still help. Call our school or (313) 576-0100 7am – 5pm Monday through Friday.
