WE HAVE A PLAN TO KEEP OUR STUDENTS AND COMMUNITY SAFE

REOPENING PLAN 2020

DPSCD is committed to a safe return to learning.

DPSCD will gradually reopen for more in-person work, services, and instruction, all while working to ensure the safety of students, staff, and family members. We are establishing consistent on-site safety precautions that are regularly monitored, as well as relying on flexible arrangements like staggered scheduling and virtual learning. Learn more below:

- **Flexible Learning Options.** DPSCD is offering learning options that meet parents and students where they are. For some parents and students that is online and for others that is face to face.

- **Smart Safety Measures.** To ensure a safe return, precautionary measures include, but are not limited to:
  - COVID-19 testing for employees,
  - required use of masks,
  - small class sizes,
  - daily temperature and self-symptom checks for employees and students,
  - COVID-19 training for employees and students,
  - daily deep cleaning with EPA-recommended disinfecting products, and
  - Hand sanitizer available in each classroom.

- **Above and Beyond State & Federal Guidance.** DPSCD is in consultation with local and state health authorities as well as the CDC. The District’s safe return to school plan encompasses the guidelines provided by the Federal government and our Michigan Governor and in fact, goes over and beyond safety requirements to serve our students.

- **We Are Listening.** A hotline number is also available and posted in schools to report cleaning concerns throughout the District. Custodial area managers will respond to concerns as reported and monitor the use of newly placed cleaning checklists.

We will continue to listen to feedback from our parents, students and stakeholders to make informed, safe decisions as we return to school.
